Challenges are what
help us grow the most!

Greetings from Jackson Center Schools!

The end of the school year is coming fast and our staff and students have been doing a great job of making every day count. As of Tuesday, April 2nd, state testing has been in full swing. Thank you for working with the teachers and helping your child feel prepared and confident as they show what they have learned and the progress they have made. No matter how you feel about the state tests, they are a reality and just one of the many challenges that our kids will face in their lives.

No one likes struggle, but allowing our kids to overcome struggle makes them stronger and more adaptable to their next challenge. It is very difficult to watch your child sweat their way through learning long division, grammar or prepare for a big chemistry test, but it's also one of the best gifts we can give our kids. Inevitably, they eventually "get it" and the feeling of accomplishment is much greater when they have struggled through it.

The state tests are a symbol of that struggle. While many students, parents and teachers question the logic of the content and/or how they are set up, the tests do provide us with important feedback about how we can improve as a district and teach us many great lessons as we prepare each child. More importantly, the feeling of gratification when the students know they did their best and conquered the test cannot be measured. Thank you again for the support of your children and our teachers as we move our way through the testing season and towards the end of the year.

A Technological Scavenger Hunt Helps Make Test Review Fun!

Reviewing for our State Tests can be quite grueling, but not if you have a QR Code Scavenger Hunt. The idea of a scavenger hunt came from Alexa Hartle when her letter was chosen by Mr. Reese. The 4th grade had been challenged to write a persuasive letter to Mr. Reese, and try to convince him to give us a Special Day.

Our 4th & 5th grade students used their Chromebooks to help them locate answers to questions their teachers pulled from State Test Reviews. Alexa Hartle's idea was a great success!

The Santa Shop elves are busy sale shopping, crafting, and planning for the 2019 Santa Shop. We need approximately 4000 items to stock the Santa Shop shelves, so we need your help. If you are a woodworker, crafter, sew, knit, or crochet, how about making extra items to donate to Santa Shop? If you are out shopping and find a great sale, how about buying extra items to donate to Santa Shop? As you're doing your Spring cleaning or out shopping yard sales and you come across clean, gently used items that would be appropriate for the Santa Shop sale, how about packing them up and sending them to Santa Shop? Some items you might look for include toys, books, activity books, puzzles, games, art kits, knick knacks, craft items, jewelry, hats, gloves, scarves, Christmas related items, any gifts for men, pet items, Ohio State or J.C. Tiger items, or anything that is a gift you or a family member would be happy to receive.

Santa Shop has received so many wonderful donations from so many of you in the past and we thank you and hope you will continue to support us. We're also looking for new Santa Shop contributors. We need as many elves as possible working on this project to keep it a success. We send special thanks to Shannon and the folks at Family Dollar for the recent donation of a HUGE bag of stuffed animals! Thank you, thank you!

Santa Shop is a wonderful opportunity for the students to do their Christmas shopping with reasonable prices and all proceeds go to the Principal's fund. That money is used to benefit the students throughout the year, so we ask you to join us in the search for the perfect gifts for the Santa Shop shelves. We'll be collecting donations now through early December. You can send or drop them off at school or call Susan Ware at 596-6914 to arrange for a pick up.

Thank you, Susan Ware

Triple Millionaire Jackson Center 5th Grade Student

Lawson Snapp hit the 3,000,000 word level in our 4th & 5th grade year long reading challenge. For each AR test passed, students earn the total word count for that book.

The average chapter book, such as Charlotte's Web, has 32,000 words. When asked how he finds time to read he said, "I set aside time for my homework, and then do my chores. After that, I can use my time to read." Lawson definitely makes reading a priority!

Our Word Count chart is located in the elementary wing, second floor, if you would like to see all of our motivated readers this year.

Night At The Races

If your child or grandchild has ever participated in a sports activity, they have benefited from the work of the Jackson Center Tiger Boosters. The J.C. Tiger Boosters have contributed more than \$200,000 in the last 5 years to support Tiger athletics and facility improvements. The Night at the Races is one of our biggest fundraisers and we need your help to make it an even bigger success. This is a fun social event open to everyone. The cost is only \$20/ ticket and includes a catered meal before the race begins and complimentary drinks all night. This is an opportunity for adults to have a nice meal and a good time out interacting with fellow Tigers all while supporting a great cause.

** For more info or tickets, please talk to any J.C. Tiger Booster member or contact one of those listed to the right. If you are unable to purchase tickets in advance, just cut out the tickets attached above and bring with you to the Palazzo that evening.

Education Foundation Banquet

The 20th Annual Jackson Center Educational Foundation Banquet was held on Saturday, April 20, 2019 at the American Legion in Jackson Center. Social hour began at 5:30 PM, and dinner served at 6:00 PM. Some of the goals of the Education Foundation are to provide scholarships and financial assistance to deserving students so that they may pursue educational and/or career opportunities. Additionally, the Foundation recognizes graduates and community members of the Jackson Center Local School District for their outstanding lifetime achievements, specific contributions to the community, and accomplishments. This year Hall of Fame Awards were presented to Roger Detrick, Tom Regula and Judy Regula. Regina Hunsucker received the Teachers Touch Lives Award. Several Scholarships were presented to Jackson Center seniors. Please look for all scholarships awarded to our deserving 2019 Graduates in the June Newsletter.

FCCLA Members Serve as Pantry Partners

The Jackson Center FCCLA has been working cooperatively with the Fish Pond Food Pantry this school year. Twice a month members help unload deliveries to the pantry and help work the food pantry. In addition, for several consecutive months they have worked with their community to collect special themed items to be shared with patrons of the food pantry. The goal of the project was to provide ready-made meals for those in need while also bringing a little sunshine or happiness with special holiday or seasonal themed treats. The pantry serves 45-60 families a month.

The monthly items that were donated are as follows:

October - Jack- O- Lantern orange fruit cups and a macaroni and cheese freezer meal

November - Thanksgiving Turkey M&M Jars and a chicken te-trazzini freezer meal

December - Hot Cocoa Packets with marshmallows and candy canes

January - Winter gear consisting of 64 pairs of gloves, 17 hats, 8 scarves

February -

Valentine's themed box with candy, stuffed animals, and Valentine's cards along with a Spaghetti freezer meal

They plan to continue the "Pantry Partners" through April, and enjoy having the opportunity to support the families in their community as well as three other neighboring towns. They wish to thank everyone who has supported their project through donations and time.

Community Appreciation Week Recognizes Local Heroes

Members of the Jackson Center FCCLA chapter recently held a “Community Heroes” appreciation week. The week was held in conjunction with national FCCLA week from February 11-15. Each day of the week was dedicated to recognizing the various heroes who work daily to make life safer and better for others.

On Monday, the group recognized Jackson Center police department and Hiro with a basket of goodies. A display of thanks was posted each day of the week on the schools sign board. On Tuesday, the Jackson Center volunteer fire department was recognized for their dedication with surprise treats left at the firehouse for the firemen. On Wednesday, the chapter pulled everyone together for a community appreciation meal. The meal was prepared by the foods and culinary students and served by various members of the National Honor Society, Student Council, FFA, and FCCLA. Guests included all members of the Jackson Center staff, Jackson Center Police Department, Jackson Center Fire Department, Emergency Medical Team, Shelby County Sheriff's Department and the workers of the Village of Jackson Center. The meal consisted of spaghetti, garlic

yeast roll, green beans, cookie and drink. Just under 120 meals were served, including the delivery of 15 meals to area shut ins. On Thursday, the Anna Rescue Squad/EMT were recognized with a gift basket of treats. Finally, on Friday the workers of the Village of Jackson Center received their gift basket. In addition to food treats, students from the school colored pictures and wrote notes of thanks to be added to each basket.

The FCCLA wishes to thank everyone who made this week a success!

Crisis Care Clutches Service Project

Jackson Center FCCLA Chapter members Vanessa Fitzgerald, Jadelyn Umbaugh and Paige Geuy would like to thank their fellow chapter members, fellow classmates, teachers, Jackson Center School staff, local community and local businesses for your donations and support with their service project, Crisis Care Clutches.

With your support, they were able to make 25 Crisis Care Clutches and fill the Clutches with personal hygiene items. The items included were: hand sanitizer, toothbrush, toothpaste, dental floss, notebook and pen, playing cards, socks, tissues, soap and lotion.
