VOLUME 18/19

AUGUST

ISSUE 1

Greetings from Jackson Center Schools!

Change is here! We hope that your summer has been filled with great times spent with family and friends and you have been able to watch all the changes at the school. Please read below and the rest of the newsletter for important information regarding the upcoming school year.

Important Changes and Reminders for the 2018-19 School Year:

Back to School –

- **Open House – Thursday, August 9th from 6:30-8:00 –**
- **Student First Day – Tuesday, August 14th –** The school calendar is attached.
- **Lunch prices – \$2.25** for early elementary students (K-3) and **\$2.50** for grades 4-12.

Back to School Logistics-

Student Day –

Students will be allowed in the building at **7:40**. If possible, please do not allow your students to walk to school or be dropped off too far in advance of **7:40**. If they arrive early, they will need to wait outside until **7:40** (the only exception is serious inclement weather.) Once they enter the building, they will need to go to their locker or the cafeteria for a quick breakfast and then report to their 1st period (homeroom) right away. The tardy bell will ring at **7:55** and dismissal is still at **2:45**.

Parking Reminders -

Student Driver Parking will be in the West Lot.
Visitor Parking will be in the New Main Lot.

Drop Off/Pick Up –

South Street and Linden Street will remain one way drives so parents can enter the main lot on the East side and snake around the parking lot to drop their students off at the main door. If you are *dropping off* and want to walk your child in or see a staff member, **YOU MUST** park in a designated spot before entering the building. **DO NOT** leave your car unattended in the pull through lane.

If you are *picking up* after school and arrive early, **PULL AS FAR UP** in the front of the school as possible. Please **DO NOT** stop in front of the door.

There is no parking in the *drop off/pick up* lane during the rest of the day.

School Fees –

There is no change in school fees once again this year. Please see the attached schedule. Fees can be sent in via mail or can be paid on open house day in the new gym.

Welcome:

We are excited to introduce our new staff members for this coming year -

Buildings and Grounds:

Walking Paths: If you have been to the school lately, you may have noticed the new blacktop walkways around the baseball and softball fields. Thanks in part to a large grant from the *Environmental Protection Agency*, the school and village are working to complete a walking track that will connect the school track to the new town walking track on the West side of town. We are excited to provide a space for walkers, runners and bicycles as well as those traveling to ball games at the various fields. **Golf carts will be allowed on the paths, but ATV's, motorcycles, or other unauthorized vehicles are not permitted. In order to keep the paths in great condition for many years to come, all violators will be prosecuted.**

Baseball/Softball Diamonds: You may have also noticed the stark improvements to the baseball and softball diamonds. Not only do these fields serve our baseball and softball teams, but they are also used for the youth teams during the summer. Thanks to our athletic boosters for their significant contributions to those improvements!

Soccer/ Track: As part of the grant from the EPA, you will soon see a paved competition track around the soccer fields. We are not quite ready for the rubber top coat, but in the near future we should have a track that will service our athletes and the community as a whole. The field should also be ready for our 1st home soccer match!

Cameras/School Safety – Thanks to a generous donation from Airstream, we were also able to finish installing cameras in the renovated areas of the school and cover more of the school grounds including much of the walking track. This will certainly help our efforts to keep our school and grounds safe and free from unnecessary damage.

If you have any questions, please email me at b_reichert@jctigers.org or call 937-596-6053.

Enjoy the rest of summer!

Elementary Parents

As we approach the beginning of school, we are reminded that head lice could be a problem. We have conducted monthly head screenings for the past several years here at Jackson Center Schools. By continuing to follow this procedure, we will have a better idea of the extent of the problem, if any, among our students. It is still the responsibility of the parents to do frequent checks on their children's heads, thus eliminating many problems before they are detected during our monthly screenings. Students should not be absent for extended time periods to eliminate live lice and nits. Absences will become unexcused after a reasonable time period of 1-2 days has been given.

The number of infected students was minimal through last school year. If you have any questions, please call the school or the Shelby County Health Department.

Parents out of town during the school year

When both parents are out of town, please send a note to the office indicating who your child(ren) will be staying with and who you want us to contact in case of an emergency, along with their telephone numbers. Children sometimes stay with someone who is not always listed on the emergency medical form.

Pre-K thru 3rd grade

Parent/Teacher Conference Sign-Up

Please bring your calendar to open house. Parents are being asked to sign up for the Parent Teacher conferences that night. Conferences are scheduled for Thursday, October 11 and Thursday, October 18 this year from 1:30 to 8:30 pm on both days. There will early dismissal at 1:00 on both Thursdays and no school on the Fridays following conferences..

Don't miss this great opportunity to sign up for your preferred day and time. Sign ups will be in the elementary hallway for the Kindergarten thru 3rd grade students. Parents of Pre-K students may sign up in the Pre-K class room.

Walking to and from School

Please review with your child pedestrian safety rules such as crossing at marked crosswalks, walking on sidewalks, obeying traffic signals at intersections, and knowing what to do if approached by a stranger.

School Bus Safety Rules

If your child rides the bus, please review the board adopted bus safety rules, available in the office or on our website. Please be extra cautious if you are on rural roads with a school bus. Anticipate the pick-up or drop-off point and allow yourself, the bus driver and passengers a safe zone for boarding or unloading.

Bus drivers ask that students board the bus with book bags secured fully on their back, not just over one shoulder so both hands are free to hold onto the hand rails.

Elementary and Secondary Education Act

According to the Elementary and Secondary Education Act, previously known as the No Child Left Behind Act, districts having Title I programs must annually notify parents of their right to request information regarding professional and paraprofessional qualifications in the building. Parents may request professional and paraprofessional qualifications of Jackson Center Schools personnel criteria for your child's grade level and subject area being taught including:

- if the teacher has met state qualifications and licensing criteria for the grade level and subject areas in which they are teaching.
- if the teacher is teaching under emergency or temporary status in which Ohio qualifications or licensing criteria are currently being waived.
- the teacher's baccalaureate degree major, graduate certification, and field of discipline.
- whether the student is provided services by a paraprofessional, and if so, his/her qualifications.

Family Educational Rights and Privacy Act (FERPA)

The Jackson Center Local School district follows the guidelines of the Family Educational Rights and Privacy Act (FERPA) regarding all student records. Parents who do not want directory information for their child released to colleges, universities should contact the guidance office.

Medication Policy

All medication (including non-prescription medicines such as Tylenol) must be kept in the office and administered by office personnel only. Medications can only be administered to a student in accordance with the following mandates:

- All medication must be sent to school in the original container.
- All medication must be accompanied with written permission from a parent/guardian. Information on the note must include the student's name, dosage, time(s) & date(s) that it is to be administered and signed by the parent/guardian.

If prescription medication needs to be administered for an extended period of time, parents need to have the doctor complete the top portion and the parent/guardian complete the bottom portion of the *"Physicians Request for the Administration of Medication by School Personnel"*. Please notify the school office if you have any questions or if you need a form.

Thank you for cooperating in carrying out this state mandate.

(Cough drops may be kept in the classroom, please send a note to the teacher(s).)

When is your child too sick to come to school?

Listed below are some guidelines to consider when deciding to send your student(s) to school or keep them at home. Your child is too sick to go to school if any of these symptoms are present:

- Has a temperature above 100 degrees Fahrenheit by mouth. (When your child has been free of fever for 24 hours, is feeling better, and does not have other symptoms he/she may return.)
- Has a pain from earache, headache, sore throat, or recent injury.
- Has a cough that interferes with your child's daily routine.
- Has shortness of breath or an increase in wheezing.
- Has vomiting or diarrhea.
- Has yellow or green drainage from the eye(s).
- Has broken out in a rash.
- Has a contagious disease such as chicken pox, strep throat, or "pink eye".

Consult your physician or the Shelby County Health department if you have questions about what is contagious or have any concerns about sending your child to school. Please refer to the student handbook for more details on student absences.

Gifted and Talented Education Shelby County Schools

Acceleration: An Overview

Research demonstrates that acceleration, when used appropriately, is one of the most effective interventions for enhancing the intellectual growth of advanced learners (Kulick & Kulick, 1989). Recognizing the potential academic benefits, all Shelby County schools provide the following four types of acceleration for qualified K-12 students.

Whole-Grade Acceleration: The practice of assigning a student to a higher grade level than is typical given the student's age on a full-time basis for the purpose of providing access to appropriately challenging learning opportunities.

Individual Subject Acceleration: The practice of assigning a student to a higher grade level than is typical given the student's age for the purpose of providing access to appropriately challenging learning opportunities in one or more subject areas.

Early Admission to Kindergarten: The practice of admitting a student to kindergarten who has not yet reached the typical age at which students are admitted to kindergarten for the purpose of providing access to appropriately challenging learning opportunities.

Early High School Graduation: The practice of facilitating completion of the high school program in fewer than four years for the purpose of providing earlier than typical access to post-secondary educational opportunities.

Referral & Eligibility:

In accordance with local board policies, students and/or parents who are interested in having a student evaluated for acceleration (early entrance, whole grade, subject area, or early high school graduation) should contact the building principal and/or the student's guidance counselor. Acceleration Referral Forms are available in the school office, on the district website, or at www.shelbycountyesc.com under the *Gifted Education* link.

Evaluation & Placement Process:

In accordance with local board policies, students and/or parents referred for acceleration are evaluated by an *Acceleration Committee*. At the request of the Superintendent, the Shelby County Educational Service Center facilitates this process on behalf of the District. Acceleration Committees are usually made up of the following individuals: classroom teacher(s), principal, school psychologist, gifted education personnel, parent(s), and guidance counselors.

The *Acceleration Committee* utilizes the Iowa Acceleration Scale (IAS) - 3rd Edition as a guide throughout the assessment process. For more information on the Iowa Acceleration Scale, please visit <http://www.accelerationinstitute.org=g/Resources/IAS.aspx>. A copy of the IAS can be obtained from the Shelby County Educational Service Center by calling the Gifted & Talented Education Department at 937-498-1354
