The journey is coming to an end! For the better part of five years I have been writing about the building project and all the details that go with it. You have followed our timeline as we worked with the Ohio Schools Facilities Commission, explained details of the levy, gathered ideas from all over the state and country, and finally with every step in the building process. We are now entering the home stretch! The renovation is almost complete which means that the teachers that were displaced into the makeshift classrooms have moved into their permanent spaces and the classrooms and hallways by the gym are open for business!

We have always understood that this building is not only a school, but a second home to our students and many of our community members. We hope that we have created an appealing and functional space that everyone can take pride in. Over the next year, you will see some finishing touches to the building as well as the outside spaces will continue to evolve as time and our budget will allow. I cannot say thanks enough to our architects, builders, the village workers and all of the other corporate and individual donors for their time and treasure. We definitely could not have reached this point without you!

Save the Date!

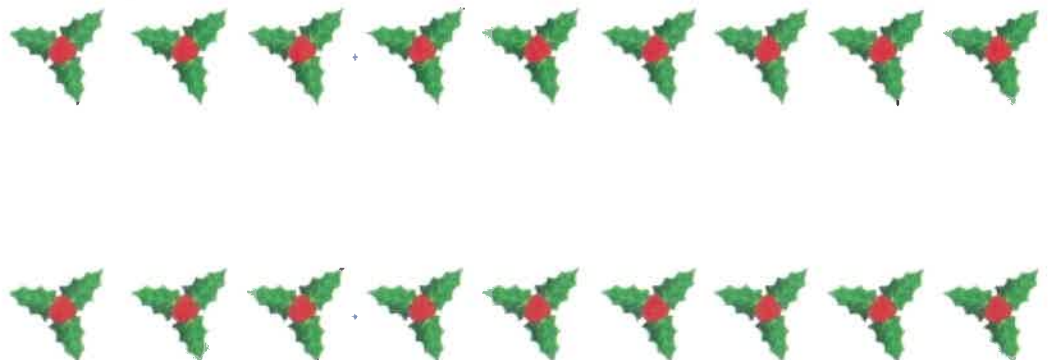

December 22nd- Early release (1:00) for Christmas Break provided the students gather 1000 items for the Fish Pond Food Pantry

Please see the website for the many athletic event times and dates over the winter season.

*Merry
Christmas*

Have a wonderful Christmas season!

College Credit Plus Meeting

JCHS will host its annual CCP-College Credit Plus meeting on Tuesday, January 23 at 6:30 p.m. in the cafeteria. We will have college representatives from all local colleges in attendance, as well as a representative from Urbana University discussing our in house College Credit Plus courses.

Any student, in grades 7 – 11, that are interested in learning more about the CCP program needs to attend the meeting. Please RSVP for the meeting with Mrs. Kohler at 596-6149, ext. 110 or at m_kohler@jctigers.org so we can make sure we have enough packets for all interested students. Thank You!

A message from Principal Reese:

It's hard to believe that the first semester is almost over and we are half way through the school year. The students have been working hard inside and outside of the classroom and our teachers continue to set high expectations and challenge them each day.

This year one large addition to the educational process was our 1:1 Chromebook roll out for students in grades 6 through 12.

With the success this program has shown we are extending the 1:1 program to the 4th and 5th grade students effective at the beginning of the 2nd semester on January 15th.

Chromebooks are available for purchase from the school and come with a case and wired mouse. For more details or to purchase a Chromebook please contact the school office at 937-596-6053.

Jackson Center National Honor Society

The Therl Johnson Chapter of the National Honor Society held their induction ceremony on Friday, September 29, 2017. The five current members tapped and welcomed eight new members into the chapter. Senior inductees tapped were Gavin Booser & Braden Heitkamp. Junior inductees tapped included Maelee Enochs, Joseph Irwin, Riley Jackson, Deanna Lowry, Chloe Reese, & Katelyn Sosby. The ceremony took place in the auxiliary gym where parents and friends were all welcomed. Jackson Center alumnus Brian Hodges was the guest speaker for this year's event. A breakfast to honor the new members and their families followed the ceremony.

Congratulations to all of the new inductees on achieving this honor.

The Wild West” Scholastic Book Fair was a great success!

Students had the opportunity to purchase some great books and posters at our Scholastic Book Fair in October. The elementary and high school library earned \$5400 in book profits!! We are able to add many new books to our shelves. *Thank you* for supporting our efforts to put more books in the hands of our students.

We want to share the success of our *All for Books Fund*. We had boxes in local businesses for contributions, as well as a penny, nickel, dime and quarter day contest in the classrooms. The Grace Lutheran Mission Commission donated \$300, for a total of \$1660 to donate to *All for Books*. Scholastic will contribute one book for every dollar donated to national non-profit organizations that are dedicated to helping children and families in need. We donated a box of books to a small rural mountain school in Tennessee along with letters written by our 4th and 5th grade students. We were able to count the \$1600 in our book profit totals! Our students are AWESOME!

Our volunteers help our book fair be so successful! We are very grateful to all of the many parents, retirees and students who helped us at the fair!! From setting up, moving and packing up the book fair carts, we had the best helpers! We are so grateful.

Our local businesses were very supportive. They allowed us to put up posters, handed out fliers and collect money for *All for Books*! Thank You!

Santa Shop. Thank you to all the volunteers, those that donated items, and a special thanks to Susan Ware for heading up our shopping days. We were blessed with earning around \$1600. We couldn't do it without the community support and those areas outside Jackson Center. The students walked with happy faces and full bags.

Have a very Merry and Blessed Christmas, from Santa Shop!!!

Jackson Center FFA News

The 2017-2018 school year has been full of excitement and change for the members of the Jackson Center FFA Chapter. Along with their new facility, students are actively involved in participating in a variety of activities throughout the year as you will read about below:

The annual National FFA Convention trip is an opportunity like no other. This year 8 students from the Jackson Center FFA Chapter traveled to Indianapolis, Indiana from October 25-27 with three other Upper Valley Career Center Satellite Schools. The trip started with two tours on Wednesday at Rogers Grain and the Cargill Livestock Research Facility where students learned about soybean exportation, as well as a variety of business aspects. Thursday was spent exploring downtown Indianapolis by attending sessions and touring the NCAA Hall of Fame. While on the trip, students attended the Buckeye Bash and got to interact with lots of other members from both the state of Ohio and from around the country.

For the first time ever, the Jackson Center FFA Chapter hosted an Ohio FFA Leadership Night on Thursday November 2, 2017 from 6pm- 8pm at Jackson Center High School.

State FFA President, Ryan Matthews and State Sentinel, Marleigh Kerr worked with students from Jackson Center, Fairlawn, and Ft. Loramie to learn more about leadership and professional development through action.

On Sunday November 5, 2017 the Jackson Center 4-H Clubs and Jackson Center FFA Chapter hosted their annual All-You-Can-Eat Scholarship Breakfast at the Jackson Center American Legion. Members helped to prepare and serve pancakes, eggs, sausage, and a variety of other dishes to feed approximately 300 people. All of the proceeds of the breakfast directly benefit senior members of the Jackson Center 4-H Clubs and FFA Chapter who apply for the scholarship program and perform an interview. All of these groups are especially appreciative of this year's donors to the event which include: Ron & Marcia Wiessinger, MKM Farms, Allenbaugh Insurance, Lotz Insurance, Justin Vondenhuevel, Plastipak Packaging, Austin Regula Farms, Bambauer Fertilizer and Seed (JC), Curly's Custom Meets, and The Morris Family.

Senior Member Maissen Akers serves pancakes at the annual Scholarship Breakfast.

Jackson Center FFA News—continued

The Ohio Job Interview CDE is designed for FFA members to practice and demonstrate the skills needed in seeking employment in all areas of agriculture. Each part of this event simulates real world experiences that students will have when seeking employment in the future. Sophomore member Haley Norris traveled to St. Marys on Tuesday November 7 to compete in Division 2 of the Job Interview Career Development Event. Haley had to prepare a resume, cover letter, participate in an interview and write a follow-up letter.

Members of the Jackson Center FFA Parliamentary Procedure Team from Left to Right: Katie Burt, Megan Argabright, Sierra Moorman, Maissen Akers, Austin Borchers, and Coltin Rose

On Thursday November 16, 2017 six members of the Jackson Center FFA Chapter competed in the sub-district Parliamentary Procedure Contest held at Jackson Center High School. FFA Chapters from all over the county were assessed on their ability to participate effectively in a business meeting or other group decision making situations. The Jackson Center FFA placed third at the contest.

Asbestos Notification

Date: December 1, 2017

To: Mr. Bill Reichert, Superintendent

RE: Asbestos Surveillance
Jackson Center Schools
Jackson Center, OH 45334

In accordance with the AHERA management plan for asbestos in Jackson Center Schools, a surveillance of identified asbestos containing building materials and suspected asbestos containing building material was conducted on December 1, 2017.

This inspection was done by the asbestos designated person, Ted Rostorfer.

All Asbestos containing material has been removed from all buildings. All AHERA O & M and M.P. programs are being followed.

The management plan is located in the superintendent's office at the school, at 204 S. Linden Street, Jackson Center, OH.

Ted Rostorfer, JC Schools Designated Person

Elementary and Secondary Education Act

According to the Elementary and Secondary Education Act, previously known as the No Child Left Behind Act, districts having Title I programs must annually notify parents of their right to request information regarding professional and paraprofessional qualifications in the building. Parents may request professional and paraprofessional qualifications of Jackson Center Schools personnel criteria for your child's grade level and subject area being taught including:

- if the teacher has met state qualifications and licensing criteria for the grade level and subject areas in which they are teaching.
- if the teacher is teaching under emergency or temporary status in which Ohio qualifications or licensing criteria are currently being waived.
- the teacher's baccalaureate degree major, graduate certification, and field of discipline.
- whether the student is provided services by a paraprofessional, and if so, his/her qualifications.
