Jackson Center Local Schools Presents

The Tiger Information Center

VOLUME 18/19

DECEMBER

ISSUE IV

Greetings from Jackson Center Schools!

It's hard to believe but the 1st semester of the 2018-2019 school year will be coming to an end when we leave for break on the 21st. The kids and teachers have been working extremely hard and I am sure they are looking forward to celebrating the Christmas season with their friends and families. Since I last wrote, our kids have participated in various activities such as band and choir concerts, FFA events, field trips, Lego competitions, mock interviews, job shadowing, boys and girls basketball and various assemblies including but not limited to honoring our veterans and newest members of the National Honor Society. All of these activities are important functions outside of the regular school day. They serve as reminders to our kids that leadership, good character, strong work ethic and self sacrifice go hand in hand with growing academically.

Correction: In the last newsletter I listed all the students that earned a perfect score on last year's state tests. Unfortunately, I missed one. Congratulations to **Avery Jackson** for earning a perfect score on the 5th grade math test last year!

Have a wonderful Christmas season!

Under Construction

If you have been to our website lately, you may have noticed some changes taking place. A new user friendly website should be up and running in the near future! Please visit us often! If you have any other questions, please email me at b_reichert@jctigers.org or call 937-596-6053.

Save the Date!

December 21st – Early release (1:00) for Christmas Break provided the students gather 1000 items for the Fish Pond Food Pantry

College Credit Plus Meeting

JCHS will host its annual CCP-College Credit Plus meeting on Tuesday, January 22 at 6:30 p.m. in the cafetorium. We will have college representatives from all local colleges in attendance, as well as a representative from Urbana University discussing our in house College Credit Plus courses.

Any student, in grades 6 – 11, that are interested in learning more about the CCP program needs to attend the meeting. Please RSVP for the meeting with Mrs. Kohler at 596-6149, ext. 110 or at m_kohler@jctigers.org so we can make sure we have enough packets for all interested students. Thank You!

A message from Principal Reese:

It's hard to believe that the first semester is almost over and we are half way through the school year. The students have been working hard inside and outside of the classroom and our teachers continue to set high expectations and challenge them each day.

If you have an 8th grade student, after Christmas break they will not be permitted to use their phones for any reason. If they are out at any time they can and will be confiscated. This includes lunch, hallways, and study hall.

We understand that students need to be picked up for various reasons during the school day. To help ensure the safety of the students please follow the protocol below for checking your student out during the school day:

- Call the office or send a note with your child to turn into the office before 8:15 AM
- Arrive no more than 5 minutes early for pick up
- Report to the office where your child will be waiting or called to be signed out

Jackson Center National Honor Society

The Therl Johnson Chapter of the National Honor Society held their induction ceremony on Friday, September 28, 2018. The six current members tapped and welcomed seventeen new members into the chapter. Inductees tapped included Seniors: Avery Allison, Trent Platfoot, Zachary Welly, Devan Winemiller; Juniors: Clay Akers, Megan Argabright, Austin Borchers, Faith Butler, Christopher Elchert, Lauren Fark, Kylie Hartle, Garrett Heitkamp, Elizabeth Hickey, Sierra Moorman, Garrett Prenger, Rachel Sailor, and Lexi Schmiesing. The ceremony took place in the auxiliary gym where parents and friends were all welcomed. Jackson Center alumnus Kyle Woodward was the guest speaker for this year's event. A breakfast to honor the new members and their families followed the ceremony.

Congratulations to all of the new inductees on achieving this honor.

The “Paws for Reading” Scholastic Book Fair was a great success!

Students had the opportunity to purchase some great books and posters at our Scholastic Book Fair in October. The elementary and high school library earned \$5200 in book profits!! We can add many new books to our shelves. *Thank you* for supporting our efforts to put more books in the hands of our students.

We want to share the success of our *All for Books Fund*. We had boxes in local businesses for contributions, as well as a penny, nickel, dime and quarter day contest in the classrooms. The Grace Lutheran Mission Commission donated \$300, for a total of \$1937 to donate to *All for Books*. Scholastic will contribute one book for every dollar donated to national non-profit organizations that are dedicated to helping children and families in need. We were also able to count that \$1937 in our book profit totals. Our students and community are AWESOME!

Volunteers help our book fair be so successful! We are very grateful to all of the many parents, retirees and students who helped us at the fair!! From setting up, to moving and packing up the book fair carts, we had the best helpers! We are so grateful.

Our local businesses were very supportive. They allowed us to put up posters, handed out fliers and collect money for *All for Books*! Thank You!

Special “Thanks” to Nancy Nolan for manning the cash register all week. Also to Shirley Stengel and Pat Burmeister for counting all that change! A big thank you to Thrivent Financial for a gift donation of \$250.

On behalf of the Jackson Center Volleyball Team and Coaches, we would like to thank everyone who came out to support our Cancer Awareness Night that took place in October, as well as the t-shirt fundraiser. Your generosity and donations was very much appreciated. We were able to raise \$2,000 to help support our local families of Jackson Center who are currently battling cancer. Gas cards were purchased and distributed to those families. We would also like to give a special thank you to Christ the King church for helping distribute the funds. Thanks again for making this a very successful night and we look forward to continuing this tradition in years ahead. We are very thankful for the loving and caring community that we live in!

God Bless,
 JC Volleyball Team & Coaches

Every year the Jackson Center School District invites speakers to educate, motivate and empower the students to be the best version of themselves at all times. This year, through the generosity of POWER, the United Way Women’s Initiative group, a POWER grant was applied for and received that has allowed us to expand these opportunities by including speakers who will help to show that your circumstances do not define who you are. Recently Allen Frye came to our school to share his story. Allen was a man on a mission competing in IRONMAN competitions until an accident occurred that left him paralyzed. Through hard work, determination, perseverance, and great doctors, Allen is making a comeback and is determined to once again compete. His accident left him with a decision to accept his circumstances or overcome them. He chose to overcome and is again walking with a goal to get back into the race. Allen’s story captured the attention of our students and motivated them to look beyond their current circumstances to see what else is there. He helped to prove that through hard work many things are possible.

A huge thank you goes out to POWER and those serving on the POWER grant committee. Through their giving, we are able to continue to provide services to our students to help them grow and become the best versions of themselves.

On Sunday, December 2, two teams from Jackson Center participated in the First Lego League Lego Robotics competition held at Wright Patterson Air Force Base. While there, teams participated in challenges testing their robotic programming, problem solving and teamwork skills as well as shared their solutions to real world problems they had researched. Both teams represented Jackson Center Schools in a positive way and one team was specially commended by judges for their “Gracious Professionalism”.

Speedy Tigers: Lucas Davidson, Jackson Davis, Katelyn Gayer, Lucas Heitkamp, Xavier Lowe, Carson Lundy, Zoe Razzano, Sean Wren,

Tremendous Tigers: Riley Barhorst, Caleb Byer, Courtney Copeland, Cooper Hartle, Avery Jackson, De Lichtenberg, Grace Prenger, Kathryn Prenger, McKinley Reichert, Tyler Yarkosky

Our First Millionaire of the Year!

Once again, our 4th & 5th Grade students have been challenged to read as many words as possible. The students then take an AR reading quiz on the book they have read, and if they pass, the student earns the total word count for that book. The average chapter book, such as Charlotte's Web, has 32,000 words. Congratulations to Lawson Snapp (5th Grade), our first student to reach the Millionaire status this year. He has already achieved 1,399,780 words this year! At this rate, when will he reach the Double Millionaire status? Our Word Count Chart is located in the Elementary wing, second floor, if you would like to see all of our motivated readers this year.

5th Grade UD Basketball Field Trip

On November 9th, the 5th graders traveled to the University of Dayton Arena to watch the UD women's basketball team take on Colgate University during an 11:00 game. At the event, UD hosted elementary and middle school students from the Dayton area who participated in an educational math related field trip. The experience was fun, enlightening, and free for our students!

While at the game, our students had front row seats where some of them experienced a college basketball game for the first time. The players on the team asked math related basketball questions to our students before the game, and each student received a packet of math activities to complete after the game, back in the classroom. What an entertaining day it was for our 5th graders! They didn't realize how much math was involved in the game of basketball!

Santa Shop - Thank you to all the volunteers, those that donated items, and a special thanks to Susan Ware for heading up our shopping days. We were blessed with earning around \$2300 We couldn't do it without the community support. The students walked away with happy faces and full bags.

Have a very Merry and Blessed Christmas from Santa Shop!!!

Jackson Center FCCLA Members Strive to Give Service

The Jackson Center/UVCC FCCLA chapter is off to a busy and successful start to their annual service campaigns. Several members have even incorporated service with their projects that they will use in competitions!

Can Drive - All year: Hope Booser, Regan Davidson, and Kennedy Jackson held a food drive at school, and collected over 800+ non-perishable items! These items were then donated to the West Ohio Food Bank. In addition, the three girls have been adding a special treat into the bags for the back pack program each week.

Crisis Care Clutches: Vanessa Fitzgerald, Jadlyn Umbaugh, and Paige Geuy held a fabric drive throughout the Jackson Center community. With this fabric the girls plan to sew and create care bags for the Domestic Violence Shelter. Thanks to the efforts of the community, over 6 large trash bags of fabric were collected! The sewing and assembly of these bags will take place December 16, at 3-6 p.m. Any local JC residents who enjoy sewing are welcome to join the fun!

Jeans for Troops - November 7: Members held a "Jeans for Troops Day", where teachers had the opportunity to donate money to troops, in order to wear jeans to work. A total of \$125 was collected. Thank you to everyone who participated!

Veteran's Day - November 9: Katelyn Sosby and Riley Jackson hosted Jackson Center's annual Veteran's Day assembly. Over 70 veterans were in attendance. They were treated to a special breakfast, a clap-in, a fantastic guest speaker, musical performances by soloists and the JC choirs, poems, and a special gift that included a letter and artwork made by JC students.

TGIF - September-May: Morgan Kipker, Carleigh Ross, and Kieran Yarkosky have organized a TGIF (Tigers Growing in Friendship) program that encourages cooperation and unity between JC's multiple-handicapped (MH) unit and other JC students. Once a month JC students meet their MH "buddy" and enjoy a special seasonal activity with them. The TGIF group can be seen wearing their matching shirts on "buddy days"!

District Orientation/Coups For Troops - November 16: Fifteen local members attended the district orientation where they were able to participate in two service projects. The first project involved creating ornaments and Christmas cards for a local nursing home, and the second involved collecting coupons for active military spouses. Collectively, over 1,000 coupons were collected!

Food Pantry Meals and Treats - Monthly: Sierra Moorman, Lauren Fark, and Serrinity Martinez have also been busy making seasonal treats and freezer meals for the JC food pantry. In addition, several local members, volunteer unloading food and helping operate the pantry when it's open.

Dorothy Love - December 16: JC FCCLA members will be visiting Dorothy Love to spread holiday cheer to the residents through crafts, bingo, card games, and fingernail painting.
