# Jackson Center Local Schools Presents

## The Tiger Information Center

VOLUME 23 / 24

1ST QUARTER

ISSUE 11

## Greetings from Jackson Center Schools!

It's crazy to think that we are at the end of the 1<sup>st</sup> quarter and we are witnessing the awesome transition from summer to fall. We have been blessed with great weather so we were able to celebrate all the achievements of our staff and students by having a free day full of activities and of course, Kona Ice! The state test results from the previous school year were released in September and for the 2<sup>nd</sup> straight year, JC was able to attain one of the highest ratings in our area. As you will see below, the state of Ohio transitioned to using STARS and JC Schools was rated as a **5 Star District**. We are extremely proud of our students and their support systems (parents, guardians and teachers) for their efforts in producing one of the best report cards in the state. In fact, we all know that the **schools in West Central Ohio are second to none** so to earn one of the highest overall scores in our area and the state is a tremendous accomplishment. Below is the front page of our report card and the top 15 schools in our region.

## More Exciting News!

The Jackson Center School Board has been working with Freytag and Associates and recently voted to accept a bid from Luginbill Construction (Rockford) **to build a multi-purpose building** on the southern end of campus across the street from the soccer field/track. This building will serve several purposes now and into the future including: restroom facilities, concession stand, large item storage for Maintenance, the Arts and Athletics. Eventually, it will also provide a cold weather work out area for multiple sports teams including indoor batting cages for baseball and softball and a golf practice area. We are excited to be able to bring several items stored off site back to campus and expand opportunities for all our students. More details to come in the following months.

## Scholastic Bookfair

**The ARTIC—Reading is "SNOW" Much Fun Scholastic Bookfair was a great success!**

Students had the opportunity to purchase many great books and posters at our Scholastic Book Fair in Oct. The elementary and high school libraries earned \$5302 in Book Fair profits!! We will be able to add many new books and products to our shelves and into the classrooms. **Thank you** for supporting our efforts to put more books in the hands of our students.

We want to share the success of our All for Books Fund. We had boxes in local businesses for contributions in addition to our penny, nickel, dime and quarter day contest in the classrooms. The Grace Lutheran Mission Commission donated \$300 along with several other anonymous gifts. A total of \$2171 was donated to All for Books! Scholastic will contribute *one book for every dollar* donated to national non-profit organizations that are dedicated to helping children and families in need through the All for Books program. We were also able to spend that same amount by directly pulling books from the Book Fair! So, our TOTAL PROFIT for this year's Book Fair was \$7467!

Our volunteers help our book fair be so successful! We are very grateful to ALL the many, many parents, retirees and students who helped us at the fair!! From counting money, setting up, moving, and packing up the book fair carts, we had the best helpers! We are so grateful.

Our local businesses were very supportive. They allowed us to put up posters and collect money for All for Books! Thank You!

Also, a Thank you to Thrivent Financial for a \$250 gift card to be used for prizes and the Pizza Party!

## Parking Lot Etiquette

During this time of year it is easy to find ourselves waiting in the car until the start of school. However, in order to help keep the drop off transition smooth, the administration would like to remind everyone that the curb lane is to be used to drop your child off. If you would like to wait with your child please park in an available spot.
