Educational Goals Jackson Center Pre-Kindergarten

Provide a measurable learning experience for each student.

Provide a positive learning environment for all students.

Assist each student with skills to become successful life-long learners.

Utilize all possible resources wisely and to the best advantage of all students.

Provide consistent, fair, yet firm discipline for all students.

Assist all students in becoming productive citizens, effective consumers, and loyal Americans.

Help all students learn to accept themselves, value other human beings, and appreciate the world in which we live.
