Jackson Center Local Schools Presents

The Tiger Information Center

VOLUME 23 / 24

SECOND QUARTER

ISSUE III

Greetings from Jackson Center Schools!

Events:

As many of you already know, **Jackson Center Schools will be closed on Monday, April 8th**. This is now known as **"Eclipse Day"**. Shelby County will be in one of the longest last-ing paths of darkness in world and as a result, the Shelby County Emergency Management Agency (EMA) is predicting that we will experience almost 4 minutes of the moon passing in front of the sun on that day. This phenomenon is of particular interest to thousands of people across the globe so the EMA is also predicting that Shelby County will triple in population in preparation. As a result, they are predicting traffic and logistical issues for that weekend and especially on that Monday which means that we will be closed and all school events will be postponed. However, the Jackson Center Growth Association is planning a **mini-community days** that weekend with camping spots, live bands, food trucks and more! Please mark your calendars!

We are wrapping up the 2nd quarter and as winter marches on and we are awaiting the promise of spring, our indoor events will continue for the next few months. I would like to personally invite you to **attend a regular season or tournament basketball game, Fine Arts Night (Feb 15th), and the Musical "The Sound of Music" (March 14-17)**. You will be impressed with our kids and walk away proud to be a Tiger!

Winter Driving:

As a reminder, we will delay or cancel school if conditions are treacherous on our school district roads. Our main concern is young drivers and our busses. Most adults have enough experience driving in hazardous conditions, but many of our 16 and 17 year olds do not always take their time and use proper precautions. Our busses are also a concern because of the number of stops and starts they make during their routes. Sliding is an issue for them as well as the people around them. There is no exact science to calling a delay or cancellation, but we do work with the other local school districts and try to make the best call possible.

As the weather changes and more students walk or ride their bikes, it is a great time to remember that all of us need to slow down and follow all school guidelines at the beginning and end of the school day. **All parents dropping off or picking up their students at school need to use the curb lane!** Dropping off between cars or in the parking lanes is very dangerous for the students because they cannot always be seen clearly by other drivers. The only exception would be if an adult needs to walk their student to the door. In that case, the children need to stay with that adult. After school, please stay in your car and have your student look for you so the traffic keeps moving. Thank you for continuing to follow these simple guidelines and keep our kids free from harm.

State Testing:

Finally, spring is also the time for state testing. Please make sure that your student is eating properly, getting enough sleep at night and encourage your student to show what they can do! We had our best academic year in many categories last year and we want to continue that trend!

Please read further for more information on all the exciting things happening at Jackson Center Schools.

We are excited to host this year's Fine Arts Exhibition! Please join us this night to support the art programs that your student participates in every day! Art will be shown, performances will be given, and food will be served!

Incoming 9th Grade Orientation

Current 8th grade students and their parents are invited to attend 9th Grade Orientation which will be held on Monday, March 4, at 6:30 pm in the cafetorium. During the session, we will be reviewing a booklet containing information for registration, scheduling, and course selection for next school year. Students will also receive a packet of information for present as well as future use throughout high school. This meeting is extremely important because the academic life of the student drastically changes upon entering their ninth-grade year. We hope to see you on Monday, March 4.

COMMUNITY BLOOD DRIVE

The Jackson Center Senior Class and Jackson Center Schools will be sponsoring a blood drive on Friday, April 12, 2024. The blood drive will be held from 9:00 am-1:00 pm, in the high school athletic complex. The goal is to have forty donors. If you would like to donate, please sign up at www.donortime.org. Thank you in advance for helping to save a life. If you have any questions, please feel free to contact Susie Harris at 937-596-6149 (ext. 115).

4th Grade Millionaires!

There has been a lot of reading excitement growing in our 4th grade this past fall. We have watched Sam Scott and Caleb Lotz read an unbelievable amount of words! Sam was the first student, in both the 4th and 5th grades, to reach over 1,000,000 words. He has read 1,297,381 words so far this year. When asked how he finds time to read Sam stated, "I read at night before bed and after school. I also read during any free time in school or when we are in the car running errands." With that commitment to reading, Sam will be a Double Millionaire before we know it!

Caleb Lotz was our second 4th grade student to reach this impressive status. Caleb has read 1,010,682 words to date. When asked what motivates him to read, Caleb responded enthusiastically, "Getting a new story in my head." His favorite time to read is right before bed. Caleb has been diligently reading and continues to challenge others!

Both students have worked incredibly hard to achieve this goal and we are very proud of their reading commitment. Be sure to check our AR Word Count Award Wall in the 4th/5th grade wing, and be prepared to be amazed!

Santa Shop

A big thank you to all who made donations or worked at Santa Shop this year to once again make it a success. Without everyone's help, we couldn't do it for the students.

The money earned is given to the Jackson Center's Principal's Fund which is used for various student activities throughout the year such as field trips and reward days.

Thank you again to the volunteers and the great selection of donated items.

YMCA Camp Willson - Attention 6th Grade Parents

The 6th graders will be attending Camp Willson in Bellefontaine on April 29th, April 30th, and May 1st for a two night, three day experience.

There will be a parent meeting on Tuesday, April 9th at 6:30 pm in the high school gym. Please plan on attending to receive all the information you will need to prepare your child for camp. There will be a camp representative at the meeting to discuss paperwork and safety measures. The cost is \$50 per student and is due in full by April 9th. If you still need to pay for your student, please send to Ms. Debbi Tussing in the main office.

Feel free to contact Mrs. Sarah Kipker or Mrs. Nancy Meyer if you have any questions. Thank you!

6-8 Student of the Month 2023-2024

Middle school students are selected by their teachers each month in recognition of going above and beyond normal expectations. It is not solely about grades, it includes their effort in the classroom, willingness to help others, and personal improvement.

Spelling Bee 2023-2024

Our school Spelling Bee was held on December 21, 2023. Ninety-seven students from grades 4-8 participated in this annual event.

After eighteen exciting rounds, the Bee was won by eighth grader, Eli Prenger. The first runner-up was sixth grader, MacKenzie Ashworth and the second runner-up was eighth grader, Tatum Reichert.

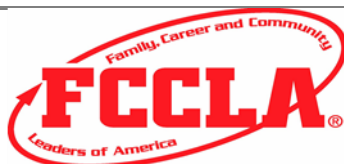

Eli will represent Jackson Center at the Regional Spelling Bee, usually held in March. Congratulations to our winners, and all students who participated, making this Bee a success!

This school year the FCCLA has been recognizing students in grades 9-12 for a P.A.W.S award each month. Teachers have the opportunity to nominate students who display the criteria of the P.A.W.S award as follows:

P - Positive Attitude
A - Acceptance
W- Warmth
S - Sharing

Congratulations to these students.

Cheerleader for a Night Experience

Jackson Center Cheerleaders were thrilled to give Brinkley Wallace, Nicole Halberstadt, Natalie Pence, Carly Lotz and Savannah Bodenmiller a Cheerleader for a Night Experience at recent home basketball games.

Brinkley, Nicole, Natalie, Carly and Savannah got to practice with the cheerleaders, join them in sideline cheers as well as join in several floor cheers.

The Cheerleaders would like to thank the Athletic Boosters and the generous donors who made these evenings possible. THANK YOU and GO TIGERS!

Veterans Day

On Friday, November 10, 2023, The Jackson Center - UVCC FCCLA Chapter hosted the annual Veteran's Day assembly. Along with the assembly, the 72 veterans/guests in attendance were served breakfast before the following activities. During the assembly, the Jackson Center Choirs performed the Armed Forces Medley as well as the Stars Spangled Banner. Along with musical performances, Jackson Center students read their "Letter to a Veteran". After many student-led portions of the assembly, students heard from a keynote speaker, Courtney Gasson, a Jackson Center Alumni. Overall, the Veteran's Day assembly is a highly anticipated event that the Jackson Center - UVCC FCCLA hosts annually.

District Orientation

On Friday, November 17th, twenty-one Jackson Center FCCLA members joined over eighty other FCCLA members from three surrounding schools (Sidney, Fairlawn, and Botkins) at Grace Evangelical Lutheran Church for District Orientation. Members had the chance to listen to various presenters, like Avery Jackson, who presented her national winning Dementia Professional Presentation project. This is a fantastic opportunity for members to come together as an organization, get to know members from other schools, and gain ideas for future projects. District Orientation is an event that first-year members look forward to.

Tigers Growing in Friendship (TGIF)

So far this year, our TGIF club has done some exciting things. During our first meeting in September, the buddies had some one-on-one time getting to know each other. In the second meeting held in October, the buddies went trick-or-treating together. Everyone went from classroom to classroom, getting some fun toys and treats. Our teachers were kind enough to let us do so. Our latest meeting in November was our Friendsgiving. FCCLA members helped supply our Thanksgiving feast. The buddies enjoyed their meal and asked some icebreaker questions together.

Friendsgiving

In November, we held our chapter, "Friendsgiving" meal. Our members volunteered to bring different foods, such as desserts, vegetables, and fruits. Our advisor supplied us with our choice of meat, pulled pork. Some of our members enjoyed their meal with their buddies in TGIF (tigers, growing in friendship).

FACTS

The Jackson Center FCCLA was once again the recipient of an Ohio Traffic Safety (FACTS Grant). The chapter worked collaboratively with local law enforcement and village workers to put on a traffic and car safety simulation at the Firehouse on Friday, Dec. 8. Prior to the simulation 9-12 students completed a survey regarding traffic and car safety.

The results of the survey were used to drive the project. Students came to the firehouse in grade level groups and visited 4 stations. The stations included checking and knowing your vehicle fluids, checking and changing a tire, traffic laws and distracted driving.

All students were given a seat belt cushion to encourage seat belt use, as students had indicated the main reasons they don't buckle up include lack of comfort or forgetfulness. On Dec. 21, a seat belt check was conducted as students arrived at school. A total of 30 cars were stopped containing 53 passengers. It was found that 88% of the students were wearing their seat belts, while 12% did not. All students were given an air freshener with a Tiger logo and the phrase "buckle up...someone needs you," to serve as a reminder to buckle up in the car.

"Lacing it Together"

FCCLA member Kendall Hilbun has worked with the FCS wellness class and chapter members to carry out her service project "Lacing It All Together." The goal for this project was to create hygiene bags to donate to homeless shelters, youth crisis centers and food pantries in Ohio and Shelby County. A shoe drive fundraiser through fund2org was organized to support this project. A total of 1,150 pairs of shoes were collected. The chapter received .40 per pound of shoes donated. These funds were utilized to buy items for the kits. The shoes will then be donated to underprivileged countries. A total of 70 hygiene kits were distributed along with 5 cleaning buckets.

Cups and Cuddles

FCCLA members Corinne York, Cortney Copeland, and Maleah Kipker have been working with the student body and chapter members to carry out their service project, 'Cups and Cuddles.' The goal of the project is to provide needed items, which may be overlooked, for community members while delivering them in a nice mug or cup that has been sanitized, repurposed and then stuffed with hygiene supplies. These cups will be distributed to Rustic Hope and the Fish Pond Food Pantry. In addition, they have collected blankets to donate to the Shelby County Animal Shelter along with homemade dog treats and toys.

FFA News

On October 30th, 2023 the Jackson Center UVCC sent three FFA members to the District Job Interview CDE. In this CDE competitors are asked to fill out a resume and interview for a job. The Job Interview CDE helps to develop life skills that will be needed when seeking employment such as writing resumes, cover letters, follow up letters & participating in a mock personal interview.

November 1-3, 2023 the Jackson center UVCC FFA sent thirteen FFA members to the National Convention in Indianapolis, Indiana. On their way to Indianapolis they stopped to tour at a few different agriculturally related places including MVP Dairy, RSG Reproductive Specialty Group, and Ozark Fishery. They had the opportunity to attend a Rodeo & Lainey Wilson Concert. But most importantly, FFA members experienced many sessions seeing old national officers give their retiring address and seeing new officers take their position, as well as meeting other FFA members from across the nation. There were over 78,000 FFA members and supporters in attendance this year.

On November 12, 2023 we held our November FFA Meeting where we had a Thanksgiving meal in the shop. We had each FFA member who attended bring a dish for the meal. During this meeting we moved to start the Canned Food Drive on November 27, 2023.

On November 13, 2023 our Advanced Parliamentary Procedure team competed in the Sub District Parliamentary Procedure contest. Our team practiced a lot before school to make sure that they did their best. The team placed third, just 9 points shy of advancing to the district contest.

On December 3, 2023 the Jackson Center - UVCC FFA ran a booth at the Jackson Center Christmas in the Village. We had 11 members help run the booth by doing things such as helping little kids make paper snowflakes and hand out ice melt to their parents to keep their walkways clean & safe during the winter months.

On December 11, 2023 the FFA chapter took 14 members to the Ohio FFA Leadership Night held at Anna HS. At the leadership night three state FFA officers led various different games while highlighting what leadership qualities they show to inspire the next generation of leaders.

On December 10, 2023 the FFA chapter held its December meeting in the ag room. During the meeting members had the opportunity to participate in a white elephant gift exchange where they played a game to find out which gift they would receive.

December 12, 2023 the FFA chapter delivered our Collected Food & Personal Care items collected by the students of Jackson Center Schools to the Fish Pond Food Pantry. We are excited to announce we collected over 1,400 food items and over 1,200 personal care items
