# Jackson Center Local Schools Presents

## The Tiger Information Center

VOLUME 24/25

THIRD QUARTER

ISSUE IV

## Greetings from Jackson Center Schools!

Hopefully most of you were able to attend the spring musical, "Freaky Friday," a few weeks back. The students and their adult support team did a great job with the performance! There are also articles in this newsletter regarding the ongoing success of our FCCLA teams, FFA teams and our Science Fair participants. Our boys' and girls' basketball teams had successful seasons both making it to the district finals and we look forward to the spring as our students participate in baseball, softball and track.

We are about to start our state testing season very soon. Please make sure your student is preparing properly with healthy eating habits, adequate sleep and good exercise. Spring is also the time for fun, field trips and end of the year ceremonies. Our seniors are excited to enjoy their final weeks and start their next phase in life, our little ones are excited about their summer adventures and our staff has already started ordering supplies preparing for next year.....all signs that the end of the school year is coming soon! We never want to wish time away, but as we celebrate the joy of the Easter season, we need to say THANK YOU to everyone that has sacrificed in some way to make this a tremendous school year. We have been able to watch our kids win awards, championships, exhibit tremendous artistic talent, do hours of community service and generally be great kids even when no one is looking.

Have a great spring!

Please remember the key dates below:

**April 18<sup>th</sup>, April 21<sup>st</sup> – No school** – Easter Holiday

**May 18<sup>th</sup> – Graduation** – 1:00

**May 22<sup>nd</sup> – Last Day of School** - 1:00 Early Dismissal

Please call 937-596-6053 or email [b\\_reichert@jctigers.org](mailto:b_reichert@jctigers.org) if you have any questions.

All parents are welcome to join us as we reward our students for their hard work throughout this school year.

### Regional Spelling Bee

Congratulations to Caleb Lotz for competing at the Regional Spelling Bee, held at UNOH in Lima, on March 10th.

Caleb did a great job representing Jackson Center, competing against 39 other schools in our region.

Caleb, we are very proud of you!

## ***4<sup>th</sup> Grade Millionaires – Triple the Fun***

There has been a lot of reading excitement growing in our 4<sup>th</sup> grade this year. We have watched Carly Lotz, Callie Clinehens, and Ryatt Rose push super hard to read over 1,000,000 words.

Callie is now at 1,324,023 words and Carly has read 1,257,611 words, so far this year. Ryatt just reached his millionaire status with 1,052,549 words. All three students have worked incredibly hard to achieve this goal and we are very proud of their reading commitment.

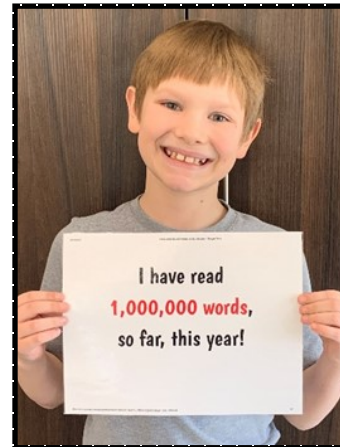

Be sure to check our AR Word Count Award Wall in the 4<sup>th</sup>/5<sup>th</sup> grade wing next year, and be prepared to be amazed!

## ***5<sup>th</sup> Grade UD Basketball Field Trip***

On February 12<sup>th</sup>, Jackson Center 5<sup>th</sup> graders traveled to the University of Dayton Arena to watch the UD women's basketball team take on the Davidson Wildcats during an 11:00am game. At the event, UD hosted a record-breaking 12,152 elementary and middle school students from the Dayton area who participated in an educational math related field trip. Before the game, students learned about the University of Dayton and were able to ask questions about playing collegiate level basketball. After the field trip, students received a packet of math activities to complete. Some of our students experienced a college basketball game for the first time. Even though the Flyers didn't pull off a win, our students had fun, cheered loudly, and learned how much math can be used in the game of basketball. What an entertaining day it was for our 5<sup>th</sup> graders!

## Shelby County Science Fair

Congratulations to the following students who participated in the Shelby County Science Day held at Anna High School on February 6th.

Sam Scott and Tysen Gariety earned an Excellent rating.

Earning a free ticket to Boonshoft Museum and Discovery and a Superior rating to qualify for the Regional Science Fair was:

- \*Wesley Schwartz and Tanner Hilbun
- \*Griffin Byrd and Spencer Serr
- \*Caleb Lotz and Eli Shuster

In the category of Chemistry/Material Science and Plant Science Griffin and Spencer earned first place overall receiving \$100 and Caleb and Eli earned 2nd place in the same category earning \$50. All the students did an excellent job of representing Jackson Center. It was a tough competition as they were the youngest competitors in the Science Fair competing against all juniors and seniors.

## Regional Science Fair

Congratulations to the following students who participated in the Regional Science Fair at Edison State Community College on Saturday, March 8th.

Spencer Serr and Griffin Byrd received an Excellent Rating.

Caleb Lotz and Elias Shuster received a Superior Rating and qualified for the State Science Fair which will be held in April.

They all did an amazing job preparing their presentations and representing Jackson Center. They competed against 150 other projects from 22 different schools. Great job boys!

## Workforce Partnership of Shelby County Ninja Challenge

In November our 8<sup>th</sup> grade class participated in the Ninja Challenge, which is sponsored by the Workforce Partnership of Shelby County. Local Shelby County businesses developed a timed skills course where the students compete against each other. The top students got to move on to the county competition which was held at the Upper Valley Career Center on February 4, 2025.

Our 8<sup>th</sup> gr. students who competed were Owen Lampy, Archer Copeland, Konner Whitt, Abby Platfoot, Breahna Finn, and Whitney York.

They did very well and had fun!

The Jackson Center UVCC FCCLA had a very successful regional competition.

All nine teams will advance to the state competition on April 24<sup>th</sup> and 25<sup>th</sup> in Columbus, Ohio.

FCCLA Members and Parents: Our annual recognition banquet will be on May 4, 2025 at 5pm in the cafetorium.

Invitations and RSVP will be sent home with each member and are due back by April 28, 2025.

### Celebrating Our Differences

different, we all desire to belong. Other activities included a minute to win it games at lunch to promote teamwork and to emphasize that alone we can do so little, but together we can do so much. Finally, on Friday, January 17, a lunch gathering with the Multiple Handicapped Units of the school was complete with frozen hot chocolate, celebration of talents and a communication game. Meanwhile, students at lunch were shown a video of basic everyday sign language to help increase their ability to communicate with students who are a part of the hearing-impaired unit at Jackson Center Schools. There was an overwhelming positive response from staff and students as we celebrated our differences.

The Jackson Center/UVCC FCCLA chapter recently hosted a week-long campaign called "Celebrating Our Differences" through the FCCLA National Program, Stand Up. The purpose of Stand Up is to educate others regarding current concerns and advocate to make a difference. The week included the creation of one large puzzle made by the individual pieces of staff and students in an effort to celebrate our differences and raise awareness for Autism. Other theme days included a sock day for down syndrome and a twin day to celebrate the idea that although we are

### Daughters of the American Revolution Essay Contest

Congratulations to senior Avery Jackson who recently won 1<sup>st</sup> place in the Piqua Lewis Boyer DAR Essay Contest. Avery received recognition on Saturday, February 8<sup>th</sup> at Westminster Presbyterian Church in Piqua, winning a \$200 scholarship and the possibility to go on for further competition. Good Job Avery!

## JC PTO Family STEM Day

On Sunday, March 9, our school hosted an exciting and educational Family STEM Day, organized by the PTO, where students and their families could explore the fascinating world of science, technology, engineering, and math! The event was a huge success, with a variety of hands-on activities designed to spark curiosity and creativity in both kids and adults.

Students and families were able to learn in a variety of hands-on ways including:

- Working with interactive circuits learning about the basics of electrical engineering by building simple circuits
- Engaging with nature in a tactile way through a touch-and-match animal table allowing kids to explore different textures and features of various animals, all while learning about their habitats and behaviors
- A 3D printing station showcasing our school's 3D printing as well as offering students the chance to try out 3D pens
- Trying out robotics using a variety of robots matching a variety of age and skill levels
- Learning about chain reactions and magnetic properties using interactive STEM learning materials

We were also grateful to the Workforce Partnership of Shelby County for lending us STEM bin activities, which were a fantastic addition to the event. These bins provided engaging and educational resources that encouraged problem-solving and creative thinking.

A big thank you to the PTO and all the volunteers who made this event possible. It was a wonderful day of learning and fun for families, and we can't wait to host more STEM events in the future!

### Dog Toys with FCCLA

Core values of FFA & FCCLA include service! FFA Members and FCCLA members worked together on January 31st to make dog toys out of old t-shirts to donate to the Shelby County Animal Rescue Foundation (SCARF). Members drank hot chocolate, ate snacks and watched a movie together

### Community Appreciation Meal with FCCLA

The JC FFA & FCCLA worked together to host the Community Appreciation Meal this year to celebrate our two weeks of Career Tech Extravaganza! The FFA & FCCLA are working together to foster a more cohesive relationship between career tech students' organizations at JCHS. While they tied and braided dog toys.

### Ag Power CDE

Sean Wren and Archer Copeland competed in the Ag Power CDE, at MVCTC (Miami Valley Career Technical Center). They traveled to different stations and fixed a piece that was bugged with two different issues. Once they found the bugs they had to fix each bug.

### Degree Ceremony

On February 9th, the Jackson Center FFA hosted our First FFA Degree Ceremony. This ceremony celebrated the accomplishments of ALL of our Degree Recipients. 7th Grade students earned their Discovery FFA Degrees, AFNR students earned their Greenhand Degrees & Plant & Animal Science students earned their Chapter FFA Degrees. Congratulations to all of our students who earned their Degrees!

### FFA Week

During the week of February 16th-22nd The Jackson Center FFA celebrated National FFA Week! We hosted themed dress up days, Drive your Truck to School Day, Ag Trivia, Activities during Lunch & Ag Olympics. During Ag Olympics students, along with their Field Day Teams + the 8th Grade, competed in Ag Related games of speed, skill and agility. These games included Stick Horse Races, Sack Races, a Hog Calling Contest, Pedal Tractor Races, and a Pie Eating Contest. It was a fun week of celebrating The National FFA Organization!

### Jr. Aggies

In the month of January, the Jr. Aggies Club Members learned about farm machinery and also got to take a picture with a tractor. They also got to learn the anatomy of a tractor, explaining all the different parts to a tractor.

FFA continued...

### Snowmen Project

Each year FFA Members team up with the Kindergarten students to spend three days in the Ag Shop.

Each Kindergarten student is assigned a HS buddy to help them cut, sand, paint and decorate their snowman to their exact height!

### SAE's -

As part of their Supervised Agricultural Experience, FFA members Breahna Finn, Emma Scolley, & Abigail McClellan sold Candy Grams for Valentine's Day. Together they planned every aspect of the sale, from making the candy grams, to purchasing supplies, to the logistics of selling and passing them out! They learned valuable skills about owning and operating a business through this project!

# CHOIR/GENERAL MUSIC NEWSLETTER

April 2025 | K-12

## Important Updates:

### General Music:

We have done a world music exploration focusing on the instrumentation and holidays of different countries. We began in China where they celebrated Chinese New Year. Our students watched videos the Dance of the Dragon & Lion.

Our next stop was to India where they celebrated Holi, the Festival of Colors. Students were given coloring pages and book marks to commemorate the lesson.

Currently, we have traveled across the world to Ireland just in time to celebrate St. Patrick's Day. We have been listening to the Irish Jig, watching Riverdance, and discussing the many instruments of the Emerald Isles.

### Choral Music:

In February the arts programs held their annual Fine Arts Night fundraiser with over 40 performing acts, art galleries, musical preview just to name a few. Without your continued support our programs would not be where they are today! Thank you!

A huge round of applause goes to the HS Choir who received a III Overall and a II in Sight-Reading at OMEA Large Contest! This is a huge achievement and I'm very proud of them.

Lastly, I would like to invite each of you to our final spring concert on May 8th where we celebrate the end of an amazing year and a final farewell to our seniors!!

## Important Announcements

- Miss Leasure would like to congratulate MaKenzie Fisher and Louie Elchert-Davis on being named the February and March Tigers of the Month!!
- We hope you will join us for our annual Father/Daughter Dance on April 26th at 6:30pm and our Spring Cookies and Canvas on May 7th at 3pm!
