

### **All Students Eligible for Free Breakfast and Lunch through December, 2020**

Due to the COVID-19 Pandemic, a federal program known as the Seamless Summer Program was modified to allow all students enrolled at Jackson Center Local Schools, whether attending in person or participating via remote learning, to receive a free breakfast and/or lunch through the last school day in December, 2020.

Parents should be also be aware that after Jackson Center became eligible for this program in mid-September, it was confirmed we could make this retro-active to the first school day of this 2020-21 school year. As a result, all student food service accounts were credited for any breakfast or lunch already paid from August 20<sup>th</sup> thru the introduction of this program on Monday, Sept. 14<sup>th</sup>. The meal that qualifies as free is the regular elementary (K-3) or high school lunch (4-12).

If you have any questions on this program, please contact me (937.596.6053 x149) at the school or Tony Meyer in the Treasurer's Office (937.596.6053 x105).

Thank you for your support,

LaCresha Clark – Food Services Manager
