The Tiger Information Center

VOLUME 20/21

APRIL

ISSUE V

Greetings from Jackson Center Schools!

Last year at this time I wrote in the newsletter that we were hoping that school would return by May 5th after a Covid-19 shut down. As you know we did not return and our typical events like prom, field trips, sports, concerts and graduation were either cancelled or greatly modified. However, with the support of our community and the communities around us we have been able to maintain a relatively normal school life this year.

We kept our sports schedules, our drama department put on a tremendous performance, we've had concerts, banquets, field trips and our daily routine has been almost normal. I even heard a student or two say that they did not mind the state tests this year because it was a sign of "being regular"! I could not be more proud of how our students, staff and community have persevered over the past year and even though the school year has not ended yet, the 'feel' of our spring seems to be similar to other years.

Our seniors are excited to enjoy their final quarter and start their next phase in life, our little guys are excited about their summer adventures and our staff has already started ordering supplies preparing for next year. There will be some changes that stick with us (probably forever), but many of them are not all that bad and our kids have been incredibly willing to adjust.

As we celebrate the joy of the Easter season, all I can say is THANK YOU to everyone that has sacrificed in some way to instill a little extra patience, understanding and courage into our students. It is apparent each day they come to school.

Please remember the key dates below:

April 30th – No school for students – staff professional development day

May 3rd – Vocal/Choir Concert Grades 5-12 – 7:30

May 10th – Band Concert Grades 5-12 – 7:30

May 23th – Graduation – 1:00

7th Grade Student Design Logos

Congratulations to 7th graders Carter Klopfenstein and Blake Jackson. They each submitted a logo to the Ohio Energy Project which focuses on Energy, Efficiency, and Education through the BeE3 Smart Program. This program is used statewide with students in grades 5-12. Mrs. Sarah Kipker does this program each year with her 7th grade science classes. Carter earned first place with his logo design and it will be used on T-shirts and backpacks that will be distributed to all participating students during the 2021-2022 school year across the state of Ohio. Blake Jackson earned an honorable mention for his logo.

Way to go Carter and Blake!

Tiger Boosters have contributed more than \$200,000 in the last 5 years to support Tiger athletics and facility improvements. The Night at the Races is one of our biggest fundraisers and we need your help to make it an even bigger success. This is a fun social event open to everyone. The cost is only \$25/ ticket and includes a catered meal before the race begins and complimentary drinks all night. This is an opportunity for adults to have a nice meal and a good time out interacting with fellow Tigers all while supporting a great cause.

** For more info or tickets, please talk to any J.C. Tiger Booster member or contact one of those listed above. If you are unable to purchase tickets in advance, just cut out the tickets attached above and bring with you to the Palazzo that evening.
