# Jackson Center Local Schools Presents

## The Tiger Information Center

VOLUME 22/23

THIRD QUARTER

ISSUE IV

### Greetings from Jackson Center Schools!

Spring is here and so is state testing, end of the year field trips, spring sporting events and end of the year ceremonies. Our seniors are excited to enjoy their final months and start their next phase in life, our little guys are excited about their summer adventures and our staff has already started ordering supplies preparing for next year.....all signs that the end of the school year is coming soon! We never want to wish time away, but as we celebrate the joy of the Easter season, we need to say THANK YOU to everyone that has sacrificed in some way to make this a tremendous school year. We have been able to watch our kids win awards, championships, exhibit tremendous artistic talent, do hours of community service and generally be great kids even when no one is looking.

Once the end of the school year starts to approach, I try to make sure that we recognize all of our staff members that are retiring at the end of the year. I will still do so in future newsletters, but it seemed appropriate to recognize one staff member in particular that will be retiring at the end of this year. **Mr. Scott Elchert** will be completing his 34<sup>th</sup> year in education, of which 29 of them have been here in Jackson Center. Of those 29 years, he just completed 23 years as the head basketball coach of the Tigers. Many will argue that the impact as a classroom teacher greatly outweighs that of a coach. However, it is undeniable that nothing brings a community together like a sports team, especially a perennially successful sports team and the person spearheading that unifying spirit is always the head coach. It is my opinion that Mr. Elchert possesses three qualities that make someone a great teacher whether it is in the classroom or on the court. First, he continually holds his players to high standards. He is understanding, but very rarely waivers from the daily expectation of getting better. He knows that both his players and students will strive to the bar that is set no matter how high. Secondly, he invests a tremendous amount of time learning, then preparing and perfecting the smallest details in not only the current varsity team, but also into the players of the future. Not only does he convince his players of the importance of preparation, but he asks his assistant coaches to be fervent about it also. Finally, he strives to find the balance between the 'carrot' and the 'stick'. At games, we often see the 'stick'. A glare, bark or yell has been directed at more than a few players through the years, but we rarely see the 'carrot' in the form of a check-in, follow through or act of humility. That balance is endearing to those lacing up their shoes for him on a Friday night.

Doing anything for 34 years, much less in a high profile position will never be perfect, but a quick glance at the state appearances, league and district titles, 400 wins and long lasting relationships with former players tells us all that Mr. Elchert has provided a model of success that can be applied to any profession. Congratulations to Mr. Elchert and his entire family and job well done!

## Our First 5th Grade Millionaire of the Year--Avery Temme!

Once again, Avery Temme (5<sup>th</sup> grade) has reached the impressive goal of reading over a million words. She achieved this goal last year, as a 4<sup>th</sup> grader, and is on her way towards reaching her record high with 1,013,861 words to date. At this rate, we are all wondering how many words she will get by the end of the year!

Our 4th & 5th Grade students have taken on our ELA Word Count challenge. They are trying to read as many words as possible this school year. The students then take an AR reading quiz on the book they have read, and if they pass, the student earns the total word count for that book. Our Word Count Chart is located in the Elementary wing, second floor, if you would like to see all of our motivated readers this year.

## 5<sup>th</sup> Grade UD Basketball Field Trip

On February 8<sup>th</sup>, the 5<sup>th</sup> graders traveled to the University of Dayton Arena to watch the UD women's basketball team take on St. Louis University during an 11:00 game. At the event, UD hosted close to 11,000 elementary and middle school students from the Dayton area who participated in an educational math related field trip. The experience was fun, enlightening, and free for our students!

While at the game, our students had great seats where some of them experienced a college basketball game for the first time. Each student received a packet of math activities to complete after the game, back in the classroom. What an entertaining day it was for our 5<sup>th</sup> graders! They didn't realize how much math was involved in the game of basketball!

## Science Fair

5th graders, Alex Prenger and Bryson Scott competed in the Shelby County Science Fair held at Anna High School on February 2nd..

They completed this project all on their own outside of school! Alex and Bryson tested basketballs at different PSI's and temperatures to determine which one would be the best to use in a game.

They were awarded a Superior Grade, a cash prize, and qualified for districts!

Congratulations Bryson and Alex!

## Regional Spelling Bee

Congratulations to Kaiden Geuy for competing at the Regional Spelling Bee, held at UNOH in Lima, on March 14. Kaiden did a fantastic job representing Jackson Center.

Kaiden finished in the top ten, competing against 30 other schools in our region. He made it to the 5th round, which is very difficult to achieve at the regional level.

Way to go Kaiden!

## COMMUNITY BLOOD DRIVE

The Jackson Center Senior Class and Jackson Center Schools will be sponsoring a blood drive on Friday, April 28, 2023. The blood drive will be held from 9:00 am-1:00 pm, at the school, in the athletic complex. The goal is to have forty donors. If you would like to donate, please sign up at [www.donortime.org](http://www.donortime.org). Thank you in advance for helping to save a life. If you have any questions, please feel free to contact Susie Harris at 937-596-6149 (ext. 115).

## Workforce Partnership of Shelby County Ninja Challenge

In November our 8<sup>th</sup> grade class participated in the Ninja Challenge, which is sponsored by the Workforce Partnership of Shelby County. Local Shelby County businesses developed a timed skills course where the students compete against each other.

The top 3 boys and girls got to move on to the county competition which was held at the Upper Valley Career Center on March 7, 2023. Our 8<sup>th</sup> gr. students who competed were Mackenzie Metz, Carly Mann, Peyton True, Josh Younker, Zane Cutcher, and Kale Barhorst. They did very well and had fun!
