Back to School Parent and Student Checklist:

Before School Starts -

- Have I notified the school about taking an online option by August 10th?
- Have I looked at my student's supply list? (Should be much shorter than usual - will be explained in next newsletter)
- Have I looked at my student's fee schedule? (Reduced to \$25 per student - will be explained in next newsletter)
- Have I reviewed the revised Open House schedule? (Only certain students should attend)
- Have I reviewed the new procedures for morning drop off?
- Have I notified my student's bus driver if I am able to provide transportation?
- Am I expecting good hygiene from my student in preparation for the school year?
- Am I making sure that my child is eating foods that boost their immune system, getting enough rest at night and exercising daily so they are very prepared to combat any illness?

After School is in Session -

- Am I checking my student each day for symptoms of illness before they leave for school?
- Does my child have their face covering and possibly a water bottle along with their homework and needed materials before they leave for school?
- Do I have a plan if my student becomes ill or is exposed and must stay home for a period of time?
- Do I have a plan for keeping my student distanced from those in my family that are most vulnerable?

This list is not comprehensive, but it does provide a start. Thank you for making the choice to send your kids to school and sharing in the responsibility of keeping them and others safe.
