*Merry
Christmas*

Greetings from Jackson Center Schools!

Christmas break will soon be upon us then after the first two weeks of January, we will be completing the first semester. As we hit these two milestones for this year, I can only say that I am eternally grateful to so many people for making it happen. First, I am grateful to our parents for trusting that we are doing our best to find balance between providing a safe environment/following guidelines and allowing kids to learn, develop skills in teamwork and collaboration and have some fun along the way.

Thanks to our educational staff for willingly teaching our students remotely last spring, preparing for anything over the summer and then steadfastly reengaging our students in face to face learning for the entire semester. Thanks to so many of our teachers for teaching from home if they were ordered into quarantine or keeping our kids engaged if they were put into quarantine. Thanks to our support staff for personally delivering assignments to homes, helping with students online, maintaining student attendance/quarantine lists, providing meals to kids at school and at home and making sure the school is always clean and sanitized.

And finally thanks to our students, who have had to endure many strange changes this year. Masks, social distancing, cancelled events and sometimes mixed messages from the media and politicians in our state and across the country. They have shown INCREDIBLE resilience to the virus as well as all the changes they have been asked to make in this first 16 weeks. We are extremely proud that even though they might not always say it, they love being at school with their teachers and their enthusiasm has made learning and growing a joy for everyone!

High School Choir Christmas Performance

Have a wonderful Christmas season!

College Credit Plus Meeting

JCHS will host its annual CCP-College Credit Plus meeting virtually this year. Starting on Monday, January 25th students and parents interested in the CCP program will be able to access our CCP meeting on our school website. We will have information from the local colleges about their College Credit Plus opportunities.

Any student, in grade 7 – 11th, that is interested in learning more about the CCP program needs to watch the meeting. Please register with Mrs. Kohler ahead of time so that she can get you the documents required to participate in the program.

If you have any questions about the program or to register for the meeting, please contact Mrs. Kohler at 596-6149, ext. 110 or at m_kohler@jctigers.org. Thank You!

The First Online Scholastic Book Fair was a great success!

Parents and students had the opportunity to purchase some great books at our Scholastic Online Book Fair in October. The elementary and high school libraries earned \$2632 in book profits!! We can add many new books to our shelves. **Thank you** for supporting our efforts to put more books in the hands of our students.

We want to share the success of our All for Books Fund. We had a penny, nickel, dime, and quarter day competition involving Shelby Hills Preschool through 8th graders. We had a total of \$1872 to donate to All for Books! Scholastic will contribute one book for every dollar donated to national non-profit organizations that are dedicated to helping children and families in need. We were also able to count that \$1872 in our Book Fair profit totals! Our students and community are AWESOME!

Our local businesses were very supportive. They allowed us to put up posters. Thank You!

Special “Thanks” to Shirley Stengel and Pat Burmeister for counting all the change brought in for ALL for BOOKS! A big thank you to Thrivent Financial for a gift donation of \$250, which was used for pizza and prizes for our students making it still an exciting Book fair for them.

All Students Eligible for Free Breakfast and Lunch Extended

Due to the COVID-19 Pandemic, a federal program known as the Seamless Summer Program was modified to allow all students enrolled at Jackson Center Local Schools, whether attending in person or participating via remote learning, to receive a free breakfast and/or lunch through December 18, 2020 has been extended through the last school day in May 2021.

The meal that qualifies as free is the regular elementary (K-3) or high school lunch (4-12).

If you have any questions on this program, please contact me (937.596.6053 x149) at the school or Tony Meyer in the Treasurer’s Office (937.596.6053 x105).

Thank you for your support,
LaCresha Clark – Food Services Manager

Spelling Bee 2020-2021

Our school Spelling Bee was held on December 15, 2020. Students from grades 4-8 participated in this annual event. After several exciting word volleys, the Bee was won by eighth grader, Katelyn Gayer. The first runner-up was eighth grader, Allee Wentz and the second runner-up was seventh grader, Zacory Wiswell. This year, we held preliminary Bee's in each grade. The top three winners from each grade, then competed against each other to determine our school Spelling Bee champion. Camp Willson Trip Class of 2026

We did it! The 7th grade class attended Camp Willson on November 9th, 10th, and 11th. The kids and the weather were amazing for the 3-day/2-night adventure. While practicing social distancing and wearing face-masks indoors, the students enjoyed learning about mammals, the early settlers, and survival skills. They also tested their engineering skills by building a safe landing zone for their egg drop and they designed bottle rockets. They challenged themselves with archery, canoeing, team challenges, and the steep wall climb. Together they danced and enjoyed skits, hotdogs, and s'mores around a warm and inviting campfire. The teachers enjoyed watching their students "be kids" for a few days away from the classroom, social media, and the daily news.
