I hope all of you are enjoying your first month of summer. Graduation was a success and we are very proud of all our graduates' accomplishments during their time in school. We are also proud of our entire student body for their hard work this year (please see honor/merit roles as well as other accolades on the following pages).

We are saying goodbye to a few members of our staff members this summer through retirement or to pursue other interests. We would like to extend a thank you to Ms. Anastasia Long after 2 years, Mrs. Stephanie Watercutter after 6 years and Mrs. Lindsey Whetstone after 12 years. We certainly appreciate their love for our school district and wish them well in their next paths.

We had four 'final' retirements this year. Our first retiree is **Ms. Cheryl Beckmann**. Cheryl served our students as a sign language interpreter for the past 14 years. As most of you know, we have students with hearing challenges that attend JC and our interpreters play a vital role in their education. Cheryl will be remembered for her kindness, love for her students and willingness to help her colleagues.

Our second retiree is **Mr. Jim Conley**. Jim has served as our technology director for the past 6 years after coming out of a previous retirement from Piqua City Schools. Jim was a Godsend in so many ways. His easy going and friendly nature combined with his knowledge and willingness to do whatever it took to make sure "all systems were operating smoothly" is unparalleled. Besides providing the backbone to all of our technology needs, Jim helped us transition to 1 to 1 and made sure our students were served during Covid. Jim will consult with us when needed, but his presence will be missed on a daily basis.

Our third retiree is **Mr. Steve Hoover**. Mr. Hoover has been a constant in the high school special needs classroom as well as with our cross country and track teams for the past 29 years. He has a personal passion for running that he helped instill in many of our students as they passed through their school age years. He also helped guide many of our students with special needs into meaningful and long lasting professions and personal lives. Mr. Hoover or 'sir' will be remembered fondly for the hours spent in the classroom or on the road helping students figure out their next step in life or just debating the topics of the day.

Our final retiree is **Mrs. Suttan Barhorst**. Mrs. Barhorst served the students of Jackson Center for the past 34 years. It would be easy to talk about all the lives that Suttan touched over the years (including many of our current teachers), but I think what I admire most about Suttan is her willingness to adapt to changing times and how she put her energy into making those situations as good as they could be. For example, she was asked to change roles when we departmentalized. That was not easy for any of our veteran teachers and yet, Suttan attacked her role as lead science and social studies teacher for the 2nd and 3rd grade team with great passion. Then, as her retirement years were approaching, she took on a new role with Destination Imagination. She certainly did not need to find something else to do, but once again our students benefited greatly because of her creativity and passion. Suttan was and is a great role model to all of us when adapting and owning change.

We wish nothing but the best for our retirees and those that have chosen a different path.

Summer is also a great time to thank Mr. Rostorfer and the summer maintenance crew as well as Ms. Tus-sing, Coach Metz, Mr. Elchert, Mrs. Kohler, Mr. Reese and Mrs. Heuker for wrapping up the past school year and preparing us for the coming year. August 21st (Back to School Night) will be here before we know it.

To the Graduating Class of 2023: The administration and staff would like to offer congratulations to this year's seniors. The class earned \$743,850 in scholarship awards. More importantly, these seniors provided leadership and guidance for the under-classman. The day-to-day atmosphere and climate in the building was outstanding and this was due in large part to our seniors. ***Good Luck in your futures! We hope that your memories of Jackson Center are as fond as our memories are of you.***

The **127th Annual Commencement** was held on May 21, 2023 in which 43 students graduated. *Father Mike Willig of St. Lawrence Catholic Church* delivered the invocation. For the processional, a recording of "Pomp and Circumstance" by the JC Band was played. The Commencement Hymn. "Here Comes the Sun". was performed by the JCHS Sensations Choir directed by *Miss Anastasia Long*. *Mrs. Susannah Harris* coordinated the multi-media presentation. **Valedictorians Kellen Reichert and Sarah Swiger along with Salutatorian Madalynn Lundy** addressed the students. Presenting awards and diplomas to the graduates were *Mr. Jeff Reese*, High School Principal, and *Mr. Bill Reichert*, Superintendent. *Carleigh Ross* co-class president delivered the benediction, and along with Haylee Shields led the Class of 2023 in the moving of the tassel. The ceremony concluded with a parade through town where hundreds were able to show their support for the graduates.

5th Grade Millionaires - Just in Time for End of Year Celebration

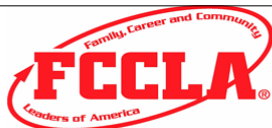

There has been a lot of reading excitement growing in our 5th grade this past spring. We have watched James Whipp push super hard to read 1,000,000 words by the end of the year. James went on to read 1,020,338 this year. Little did James know that Nick Prater set a goal to beat him. Nick managed to out read James at the very last AR Word Count Award celebration, by reading 1,079,217. Both students have worked incredibly hard to achieve this goal and we are very proud of their reading commitment. Be sure to check our AR Word Count Award Wall in the 4th/5th grade wing next year and be prepared to be amazed!

Thank You, Tiger Nation!

First, thank you team, for the wonderful season and for all the great memories you provided to everyone in attendance and others listening from afar. What a season it was! 2d consecutive wins is quite an accomplishment and proves your dedication and loyalty to the program and to one another. We're aware of all the hard work you put in for this starting at a young age, and it shows. You made us proud!

Thank you to the students and faculty that wore orange and black, planned student-section themes, and provided support from day one. Every one of you. Every game. Your cheers echoed from the bleachers. You were inspiring, and probably influenced a few opponents' free-throws along the way!

Thank you to the moms that decorated the lockerroom, provided snacks, made sure there were team meals before every tourney win, and that uniforms were washed, and everything was "game-ready" (albeit, sometimes last-minute)!

Thank you to the dads that put out the signs at tournament time, and all the hours of "planning" that make it happen. And thank you for the pieces of encouragement you give your sons along the way.

Thank you to the crowds that send out the bus, and meet it on the way back into town, that high-five every player, coach, manager, and their leader. It means more than you know. It is motivation for future generations of Tigers!

Thank you to the cheerleaders that energize the crowd and the team and decorate the bus. It's not an easy task and it certainly doesn't go unnoticed.

Thank you to the administration that without your planning and operations (managing schedules, music, raffles, ticket-taking, concessions, etc.) game nights just wouldn't be possible.

Thank you, JC Athletic Boosters, for your donations that you provide to all teams throughout the year.

Thank you to the anonymous donors that provide team meals, post-game celebrations and other assistance during the season. You know who you are, and it is much appreciated.

Thank you to the brotherhood of past players that come to practice and stretch the team to their limits so that they are prepared for their next opponent, week in and week out.

Thank you to the JCHS alumni, past and current faculty, administration, and fans that come out in droves to support our team. Some of you traveled a long way to do so. It is such a blessing, and every time it happens, it continues to amaze.

Finally, thank you coaches for investing your time and energy every day to ensure our team is prepared for battle. Thank you for the detailed scouting reports that are meticulously put together for each opponent. Please also thank your families for allowing you to miss the time that could be spent with them. It's a thankless job but means so much.

All the above is proof of how fortunate it is to be from a great community, and how great it is to be a JC Tiger!!
