**IMPROVEMENT
BEGINS
WITH
I**

Greetings from Jackson Center Schools!

I hope all of you are enjoying your first month of summer and finding some sunshine through all the raindrops. It's hard to believe that Memorial Day and Community Days are already in the rear view mirror, but there is plenty of summer left! When your kids have some down time, please encourage them to put their devices down (maybe for a whole day or week is even better) and play outside or read an old-fashioned book. Fresh air and reading will keep their minds sharp and ready for the next school year.

Summer is also a great time to thank Mr. Rostorfer and the summer maintenance crew as well as Ms. Tussing, Coach Metz, Mrs. Kohler and the principals for wrapping up the past school year and preparing us for the coming year. August 13th (Back to School Night) will be here before we know it.

Important Changes and Reminders for the 2019-20 School Year

Back to School –

- Open House – **Tuesday, August 13th** from **6:30-8:00**
- Student First Day – **Thursday, August 15th** - The school calendar is attached.
- Student Day – **7:55-2:45 (no change)**.
- There will be **no change** in the **fee structure** for next year. Please see attached.

Test Results - The preliminary 2018-19 test results are starting to trickle in. One point that we can share right now is that the tested subject and grade level averages for Jackson Center Schools exceeded the state averages in *every* category. We will be sharing more information through parent reports and our website later in the summer and I will also hit the highlights in the 'Back to School' newsletter.

Staff Changes - We are sad to say goodbye to Mrs. Melissa Beal, High School Science Teacher. Mrs. Beal accepted a position at Miami East, her home district, so we wish her and her family nothing but the best as they make that transition. Fortunately, we have already found a replacement and her name is Ms. Elizabeth Baker. Ms. Baker grew up in Minster and is a recent graduate of Bowling Green State University, but has family ties to Jackson Center that go back generations. I will write more about Elizabeth in the 'Back to School Newsletter'.

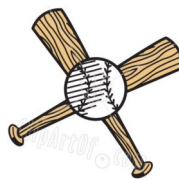

Summer Projects - The number of noticeable improvements this summer will not come close to the previous two summers, however, they are important nonetheless. Mr. Conley was able to secure a grant to improve and ensure that our internet speed for all devices will be sufficient going into the future. The board also made the choice to join the 2003 building with the other parts in terms of heating and air controls and that transition is wrapping up soon. You might also remember the damage to the floor of our main gym caused by a basketball backboard shattering last fall. As a result, the gym floor got a major facelift. If you are coming to a ball game this summer or taking the kids to the playground, I am sure you will notice a few other small projects happening while you are here.

Have a great Summer!

FINE ARTS

Choir and Band Upperclassman Chicago Field Trip

Seventeen students ventured to Chicago, Illinois to take in the sights and sounds of the Windy City. The highlight of the trip was seeing the musical “Hamilton”. A nice dinner in one of the oldest restaurants in Chicago, The Italian Village restaurant and deep dish Giordano’s pizza made the trip itinerary. We visited the Navy Pier and stopped at Millennium Park to see the art sculpture “Cloud Gate” or as most people refer to it, the bean.

Thank you to our administration and school board for allowing this annual trip.

Special Education Newsletter Post

Jackson Center Schools will entertain public comment on the use of allocated IDEA-B federal funds at the regularly scheduled June 17th (7:00) board of education meeting. A brief overview of how those monies are utilized as well as an opportunity for public comment will be provided for those interested.

Non-discrimination Policy

The Jackson Center School District does not discriminate on the basis of sex, color, religion, national origin, handicap, or age in its education, activities, admissions, or employment policies as required by Title IX of Education Amendments of 1972, Title VI and VII of the Civil Rights Act of 1964, Sections 503 and 504 of the Rehabilitation Act of 1973 and Executive Order 11244 and all its amendments. Any violations of this policy should be referred to the Affirmative Action Officer for Jackson Center Local School District, superintendent at 937-596-6053.

Middle School Rewards Day - Middle school students in 6th, 7th, and 8th grade have been participating in a rewards program offered at the end of each quarter. Students must qualify for the rewards day by meeting criteria set by their teachers. Qualifying students enjoyed special activities at the end of the 1st and 2nd quarter. Toward the end of the school year students participated in the 3rd and 4th quarter rewards day. We spent the afternoon roller skating at Rolling Hills in Sidney. It was a great time for our experienced skaters and the first-time skaters did a fantastic job! We celebrated the fourth quarter by spending some time outside and enjoying an ice cream or popsicle treat! We are looking forward to planning our rewards day for the next school year!

Let's Glow!

Students in the Middle School enjoyed a dance to end the school year!

To the Graduating Class of 2019: The administration and staff would like to offer congratulations to this year's seniors. This year's class earned \$378,430 in scholarship awards. More importantly, these seniors provided leadership and guidance for the under-classman. The day-to-day atmosphere and climate in the building was outstanding and this was due in large part to our seniors.

Good Luck in your futures! We hope that your memories of Jackson Center are as fond as our memories are of you.

The **123rd Annual Commencement** was held on May 19, 2019 in which 32 students graduated. *Pastor John Settlege of Christ The King Church* delivered the invocation and benediction. The high school band, led by *Mr. Randy Johnson*, played for the processional and recessional. The high school choir, lead by *Mrs. Cari Beth Noah*, performed the commencement hymn "(I've Had) The Time of my Life" while *Mrs. Susannah Harris* coordinated the multi-media presentation. **Salutatorian Maelee Enochs** and **Valedictorian Deanna Lowry** addressed the students. Presenting awards and diplomas to the graduates were *Mr. Jeff Reese*, High School Principal, and *Mr. Bill Reichert*, Superintendent. *Trent Platfoot*, class president, lead the Class of 2019 in the moving of the tassel. The ceremony concluded in the connector where graduates received congratulations.
