## Greetings from Jackson Center Schools!

We are closing in on the end of our first quarter and I am happy to say that we have been able to stay in school 5 days a week (except for one really foggy day) since our assigned start date. In a normal year, being in school every day would be expected, but in 2020, it has become an adventure to say the least.

When I think about all the changes that were thrust upon all of us due to COVID concerns, I cannot say thank you enough to our teachers, staff, parents, community members and students for the ongoing support and understanding.

Over the past year, our parents and students have adjusted to –

- Online learning
- Zoom calls and Google Meets
- Pick up and drop off days
- More intense cleaning efforts
- Social Distancing
- Wearing masks
- Missed activities at school
- Missed community events
- Limited capacity at events that do take place
- 24/7 COVID -19 press coverage

I think you get the point. Trying times often bring out the best in people and communities. Hopefully someday this will be behind us, but I will never forget how our parents have understood our position and stood by us even when they disagree with the state. I won't forget how our teachers and staff have done everything in their power to strike the balance between providing a quality education to all students and following the COVID guidelines. And I especially will not forget how our students have handled their fears, their disappointments and even their disbelief with grace and maturity.

I will not say these past 8 months have been 'fun', but they have reinforced why we are proud to be Tigers!

Have a great Fall Season!

### Parent/Teacher Conferences

Parent/Teacher conferences will be held on October 29 & November 5 from 1:30-8:30pm. Due to everything going on in our world right now conferences will have some slight changes. If a teacher needs to see you in person they will be reaching out to set up an appointment. However, if a teacher does not reach out and you would like to meet with your child's teacher(s) you are welcome to call the school and set up an appointment.

### *Message from the High School Principal*

As we move into the second quarter we all feel very fortunate to be able to be in session face to face. We all know that the face to face interaction of students and staff is much more than academics. These interactions help with social skills, relieve stress, and make learning much more enjoyable. It has been great to have all the students and staff back in the building together. The students have taken all the changes in stride and have not allowed the changes to derail them. The staff and students are working very hard to make the 2020-2021 school year successful.

As the fall comes to a close, I want to congratulate all those that participated in the various events. Again, it has been great to attend the events and watch so many compete and make the most out of the opportunity they have earned. The winter will bring another new set of opportunities for the students to get involved. I encourage all the students to join an activity. As we all have witnessed, the opportunity to be involved can be quickly taken away from us. We need to appreciate the opportunities and make the best of them each and every day. As always, if you have any questions or concerns I can be reached at [j\\_reese@jctigers.org](mailto:j_reese@jctigers.org)

***Veteran's Day Event*** - Please help us in inviting all local Veterans and active military personnel to join us.

Jackson Center Schools will hold a celebration for Veteran's Day on Wednesday, November 11.

The day will begin with drive thru/pick up breakfast served to all Veterans and their spouses starting at 8:30am, followed by a short virtual live celebration. Directions for joining the live celebration will be given out with each breakfast as well as posted on the school website. Please RSVP to [v\\_kipker@jctigers.org](mailto:v_kipker@jctigers.org) or by calling the school at 937-596-6053 ext. 121. Please include name, branch of military and if a spouse or guest will be joining so we can assure we have plenty of food.

### ***Community Blood Drive***

The Jackson Center National Honor Society and Jackson Center Schools will be sponsoring a blood drive on Friday, December 11, 2020. The blood drive will be held from 9:00am-1:00pm in the athletic complex. The goal is to have forty donors. If you would like to donate please sign up at [DonorTime.org](http://DonorTime.org). Thank you in advance for helping to save a life. If you have any questions, please feel free to contact Susie Harris at 937-596-6149 (ext. 115).

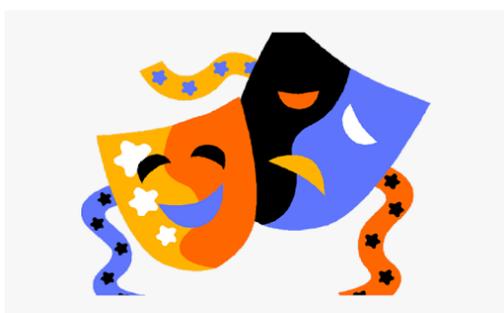

## All Students Eligible for Free Breakfast and Lunch through December, 2020

Due to the COVID-19 Pandemic, a federal program known as the Seamless Summer Program was modified to allow all students enrolled at Jackson Center Local Schools, whether attending in person or participating via remote learning, to receive a free breakfast and/or lunch through the last school day in December, 2020.

Parents should be also be aware that after Jackson Center became eligible for this program in mid-September, it was confirmed we could make this retro-active to the first school day of this 2020-21 school year. As a result, all student food service accounts were credited for any breakfast or lunch already paid from August 20<sup>th</sup> thru the introduction of this program on Monday, September 14<sup>th</sup>. The meal that qualifies as free is the regular elementary (K-3) or high school lunch (4-12).

If you have any questions on this program, please contact me (937.596.6053 x149) at the school or Tony Meyer in the Treasurer's Office (937.596.6053 x105).

Thank you for your support,  
LaCresha Clark – Food Services Manager
