*Inspiration does exist,
 but it has to find us
 already working!*

It's crazy to think that we are at the end of the 1st quarter, but that is the reality. The end of the quarter also signifies the transition from summer to fall and we have been blessed with another one of the most beautiful and enjoyable autumns in years. I hope all of you have had a chance to get outside and enjoy it. This season also brings the release of state test results from the previous school year and inevitably, those test results come with a few changes from years past. As you will see below, the state of Ohio has transitioned to using STARS instead of letter grades. Regardless of the changes, we are extremely proud of our students and their support systems (parents, guardians and teachers) for their efforts in producing one of the best report cards in the state. In fact, we all know that the schools in west central Ohio are second to none so to earn one of the highest overall scores in our area and the state is a tremendous accomplishment.

District Overview

The Ohio School Report Cards include performance information provided by schools and districts including academic, financial, and opportunity to learn data. Some of this data is then combined into six components that receive star ratings to indicate the level of performance for the school and district.

THANK YOU again for making the choice to trust us with your child's education! There are always areas to improve and we will be identifying and working on them this year and beyond. If you are interested in looking at our report card more in depth, here is the link: <https://reportcard.education.ohio.gov/district/049809>
 If you want to discuss the comparisons to other districts, there is an area on Ohio Department of Education website that will help you develop a spreadsheet or simply give me a call.
 Have a great Fall Season!

A Message from the Desk Principal Reese

It is obvious the seasons are changing and the end of the first quarter is here. Before you know it we will be bundled up and fighting the snow. The fall has seen great success both inside and outside of the classroom and all of our sports teams have competed very well and are well into their tournaments. The teachers have been working extremely hard getting students back into the routine as well as finding where each student is at and pushing them beyond.

The state report cards were released and Jackson Center scored very well. In a recent article, Cleveland.com rated all 607 school districts in the state of Ohio and listed Jackson Center as the 13th highest performing district. This is due to the hard work of the community, the teachers, and most importantly the students. Thank you to all who make sure their children are in regular attendance, get their work completed, and work to the best of their ability. We look forward to another great year, on the court/field and in the classroom. We are excited at what the future holds for all the students of Jackson Center.

Dear Student/Parent or Guardian:

Governor Mike DeWine established the Ohio School Safety Center (OSSC) in August of 2019 to support schools, first responders, and communities in preventing, preparing for, and responding to threats and acts of violence, including self-harm.

A top priority of the OSSC is increasing information sharing and communication. Victimization, bullying, and other disorders such as drug and alcohol use are often not reported directly to school authorities or even to parents and guardians. Oftentimes this is because students do not want to be identified, don't want a friend or classmate in trouble, or simply don't know how or where to report these threats. The OSSC wants to make sure students are aware of the resources available to them and know they have a safe space to share their concerns.

One available resource coordinated by the OSSC is the [Safer Ohio School Tip Line](#), which is a free service that accepts calls and texts 24/7. The tip line allows students, parents, school administrators, and staff members to anonymously share information with school officials and law enforcement about threats to student safety. The tip line number is **844-723-3764**.

The OSSC encourages reporting on:

- 
- 
- Bullying and cyberbullying incidents.
 - Self-harm or suicidal behaviors.
 - Withdrawn student behaviors.
 - Verbal or written threats observed toward students, staff, or the school itself.
 - Weapons/suspicious devices on or near school grounds.
 - Gang-related activities.
 - Illegal drug use; and
 - Unusual or suspicious behavior of students or associates.

Another resource is the [Crisis Text Line](#). By texting the keyword "4hope" to 741 741 you will be connected to a trained Crisis Counselor within 5 minutes. Any person may need help in coping with a stressful situation. Reach out by text to communicate with someone trained to listen and respond in a method that is private, secure, and confidential.

The Crisis Text Line is a free, confidential service available 24/7 via text on mobile devices. Data usage while texting Crisis Text Line is free, and the number will not appear on a phone bill with the mobile service carrier. People of all ages can use Crisis Text Line.

We want you to know that there are resources available to you to be able to share concerns and talk to someone if you are feeling stressed.

Non-discrimination Policy

The Jackson Center School District does not discriminate on the basis of sex, color, religion, national origin, handicap, or age in its education, activities, admissions, or employment policies as required by Title IX of Education Amendments of 1972, Title VI and VII of the Civil Rights Act of 1964, Sections 503 and 504 of the Rehabilitation Act of 1973 and Executive Order 11244 and all its amendments. Any violation of this policy should be referred to the Affirmative Action Officer for Jackson Center Local School District, superintendent, 937-596-6053.

Policy Revision

As of July 2012, Jackson Center revised its Section 504 policies for the identification, evaluation, and placement of students with disabilities, or suspected of having disabilities, and its Section 504 grievance procedure. Copies of the new Section 504 policies and Section 504 grievance procedure can be found under the "School Forms & Policies" tab on the Jackson Center Website Home Page.

JACKSON CENTER NATIONAL HONOR SOCIETY

The Therl Johnson Chapter of the National Honor Society held their induction ceremony on Friday, October 7, 2022. The following eight new members were tapped and welcomed into the chapter. Junior inductees Riley Barhorst, Lucas Davidson, Lucas Hartle, Trever Huber, Maleah Kipker, Grace Prenger, Jadelyn Umbaugh along with Senior inductee Gabriella Shamblin.

The ceremony took place in the athletic complex where parents and grandparents were welcomed. Jackson Center Alumnus Gregory Boyer was the guest speaker for this year's event.

A breakfast, to honor the new members and their families, followed the ceremony.

Congratulations to all of the new inductees on achieving this honor.

College-Career Outreach Program

As part of our Therl Johnson Chapter of the NHS College and Career Outreach Program, our middle school students have taken part in a career field trip to Airstream, Inc. here in Jackson Center and our 8th grade students took a college field trip to Bowling Green State University.

In early October, the middle school toured the Airstream plant. They not only toured the plant, but also visited the museum and learned about various job opportunities and internships that Airstream has to offer.

On Friday, October 14th our 8th grade class visited Bowling Green State University where our college Representative, Mr. Van Wright, took us on a tour around campus. We not only received a wonderful tour, but also learned about the many of the programs that BGSU has to offer students.

In the future, we hope to tour other businesses in Jackson Center and visit 2 year/technical colleges.

SOUTHERN FRIED
NUPTIALS

The play featured Jadelyn Umbaugh, Carson Lundy, Shelby Boss, Madalynn Lundy, Joshua Younker, Jacob Scoggin, Claire Willoby, Zoe Razzano, Somer Sherman, Carson Halker, Gabi Shamblin and Keith Fisher. The play was enjoyed by all, as you could hear the laughter throughout the room both evenings.

Scholastic Bookfair

The "WILD WEST" Scholastic Bookfair was a great success!

Students had the opportunity to purchase many great books and posters at our Scholastic Book Fair in Oct. The elementary and high school libraries earned \$5030 in Book Fair profits!! We will be able to add many new books to our shelves and in the classrooms. Thank you for supporting our efforts to put more books in the hands of our students.

We want to share the success of our All for Books Fund. We had boxes in local businesses for contributions. We had a penny, nickel, dime and quarter day contest in the classrooms. The Grace Lutheran Mission Commission donated \$300 along with several anonymous gifts.

A total of \$2725 was donated to All for Books. Scholastic will contribute one book for every dollar donated to national non-profit organizations that are dedicated to helping children and families in need through the All for Books program. We are also able to count that money in our book profit totals! Our students are AWESOME!

Our volunteers help our book fair be so successful! We are very grateful to ALL the many, many parents, retirees and students who helped us at the fair!! From setting up, moving and packing up the book fair carts, we had the best helpers! We are so grateful.

Our local businesses were very supportive. They allowed us to put up posters, handed out fliers and collect money for All for Books! Thank You!

A great big THANK YOU! To Pat Burmeister, Shirley Stengel, and Lora Clinehens for counting all of the change for "All for Books." Also, a Thank you to Thrivent Financial for a \$250 gift card to be used for prizes and the Pizza Party!

Parking Lot Etiquette

During this time of year it is easy to find ourselves waiting in the car until the start of school. However, in order to help keep the drop off transition smooth, the administration would like to remind everyone that the curb lane is to be used to drop your child off. If you would like to wait with your child please park in an available spot.

Middle School First Quarter Rewards Day at VanDemark Farm

Tiger Trailblazers Walking Program

NEW this year! The Jackson Center-UVCC FFA Invites you to join the Tiger Trailblazers. Students in grades K-5 will have the opportunity to get up and get active as a part of this new walking program.

Start Date: September 12, 2022
End Date: May 12, 2023

Students get to CHOOSE whether or not they want to walk.

Each week, members of the Jackson Center-UVCC FFA will help students track their miles by creating a leaderboard. Students will be able to see class and individual miles. We will also be creating and displaying an overall Top 10 AND 100 Mile Club for students who are leaders in the program.

Distance is tracked with our EZ Scan App. Tokens, awards, and prizes will be distributed weekly as students reach certain milestones. This program is done completely at school. We are working with the elementary staff to also schedule certain dates and times during the school day like indoor recess and possibly gym classes to participate.

For every 10 miles students will receive a keychain token, PLUS...

25 miles- Water bottle

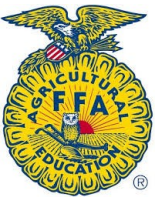

50 miles- T-shirt

75 miles- Goodie bag with supplies

100 miles- Gold Medal + an additional surprise!

If you have any questions please contact Mrs. Whetstone:

l_whetstone@jctigers.org

Scholarship Pork Loin Dinner

The annual Scholarship Pork Loin Dinner hosted by the Jackson Center 4-H Clubs and Jackson Center-UVCC FFA Chapter was held on Wednesday September 21, 2022. Approximately 90 youth members of these organizations worked together with Batdorf Red Barn Catering near Covington, Ohio to provide funds for our local scholarship. Over 400 meals were distributed to supporters of the event which helped raise nearly \$1,000 to be given to applying Jackson Center seniors. Thank you very much for your support of this event!
