Call to Order – 6:15 p.m.

The Jackson Center Local Board of Education met on Wednesday, February 2nd, 2022 for a special meeting with the following members present: Mr. Brad Wren, Mrs. Kristine Mullenhour, Mr. Matt Kohler, & Mrs. Julie Devine. Mrs. Kristen Davis was unable to attend.

Information Items:

4-12 Principal Reese shared with the Board the evolving landscape in high school scheduling relative to students completing core requirements earlier in their high school career and the opportunities that exist as a result. Students have options that include in house and out of the building CCP classes, work release programs (or a combination of the two) as well as enrollment in the UVCC. Every effort is being made by the Board and administration to be responsive to the individual paths for each student while at the same time providing a positive high school experience. This discussion was considered time sensitive relative to communications of such and scheduling purposes for the 2022-23 school year.
